# Welcome to Pike Place Market

### A PLACE WORTH PROTECTING

Threatened with demolition and "urban renewal" development in the 1970s, community members & Market supporters rallied to save the Market and create a nine-acre historic district that holds our beloved public market and its historic buildings.

# Next Steps

---

Applying for another 4Culture grant in 2023 to help fund finalizing design, materials, content, printing and installation

As design progresses, the team will focus on materials, dimensions, etc. and will be bringing forward finalized concepts for approval before the Market Historical Commission.
