

Temporary A-Frame Sign

We propose an A-frame sign to be temporarily placed at location pictured below until PDA is able to complete the redesign and installation of market wayfinding signs directing customers to Yarn Dragon and neighboring businesses.

Location of directional sign at bottom of ramp from 4th level downunder to mezzanine

A-frame sign design. Will measure 2'x3' and be printed on solid vinyl sheet attached to plywood frame.

A-Frame sign will measure 2' wide by 3' tall and will be constructed of wood with sign printed in vinyl attached to wood frame.
