Occidental Mall Water Fountain – Design Wrap
117 S Washington St

Proposal

The team is proposing to add a partial design wrap to the newly installed water refill station inside Occidental Mall. Below you will find a photo of features to be altered, 5 photos of an existing example, and two different options of design wraps.

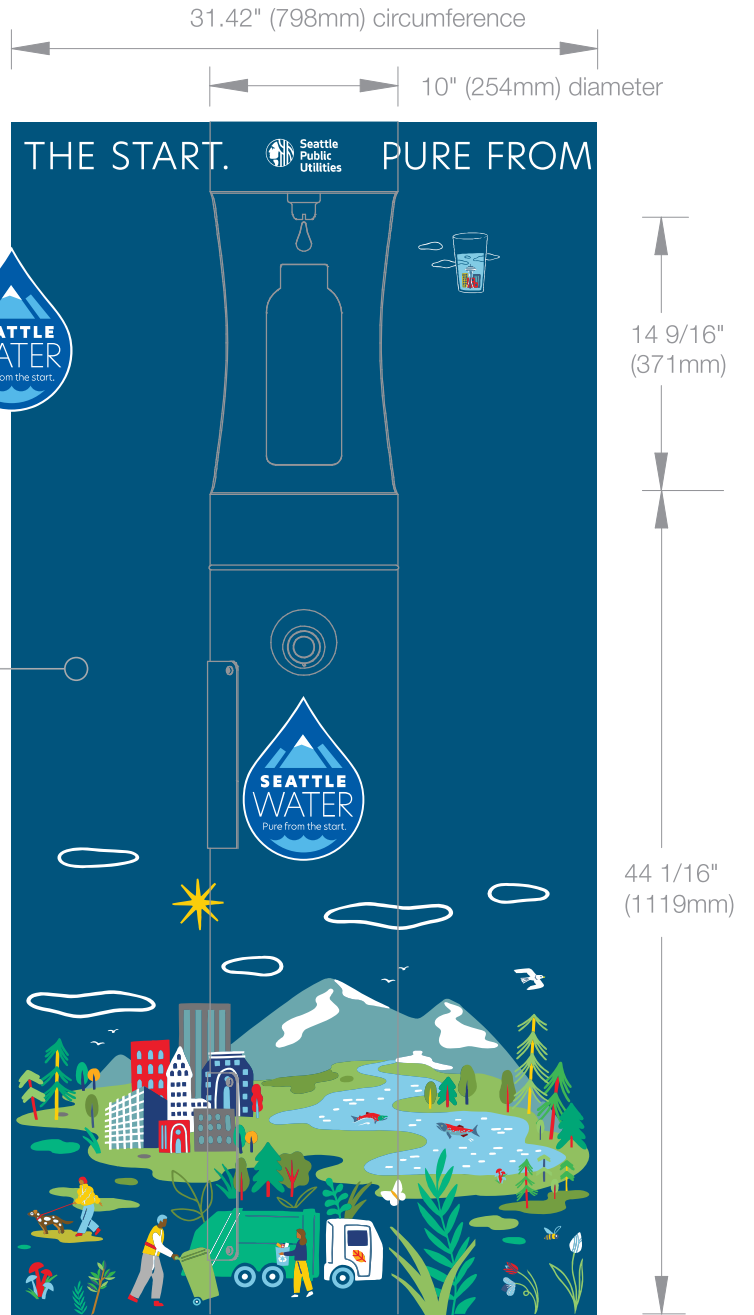

Elkay LK4400BF Freestanding Bottle Filler | Stock Color: Blue

NOTE: This Seattle Water droplet logo will be centered on the back side of the filling station.

NOTE: The blue background shown represents the metal surface of the filling station and does not print.

Note: This is an Artist's rendering of your product. The actual product may vary in appearance.
