Ice Rink

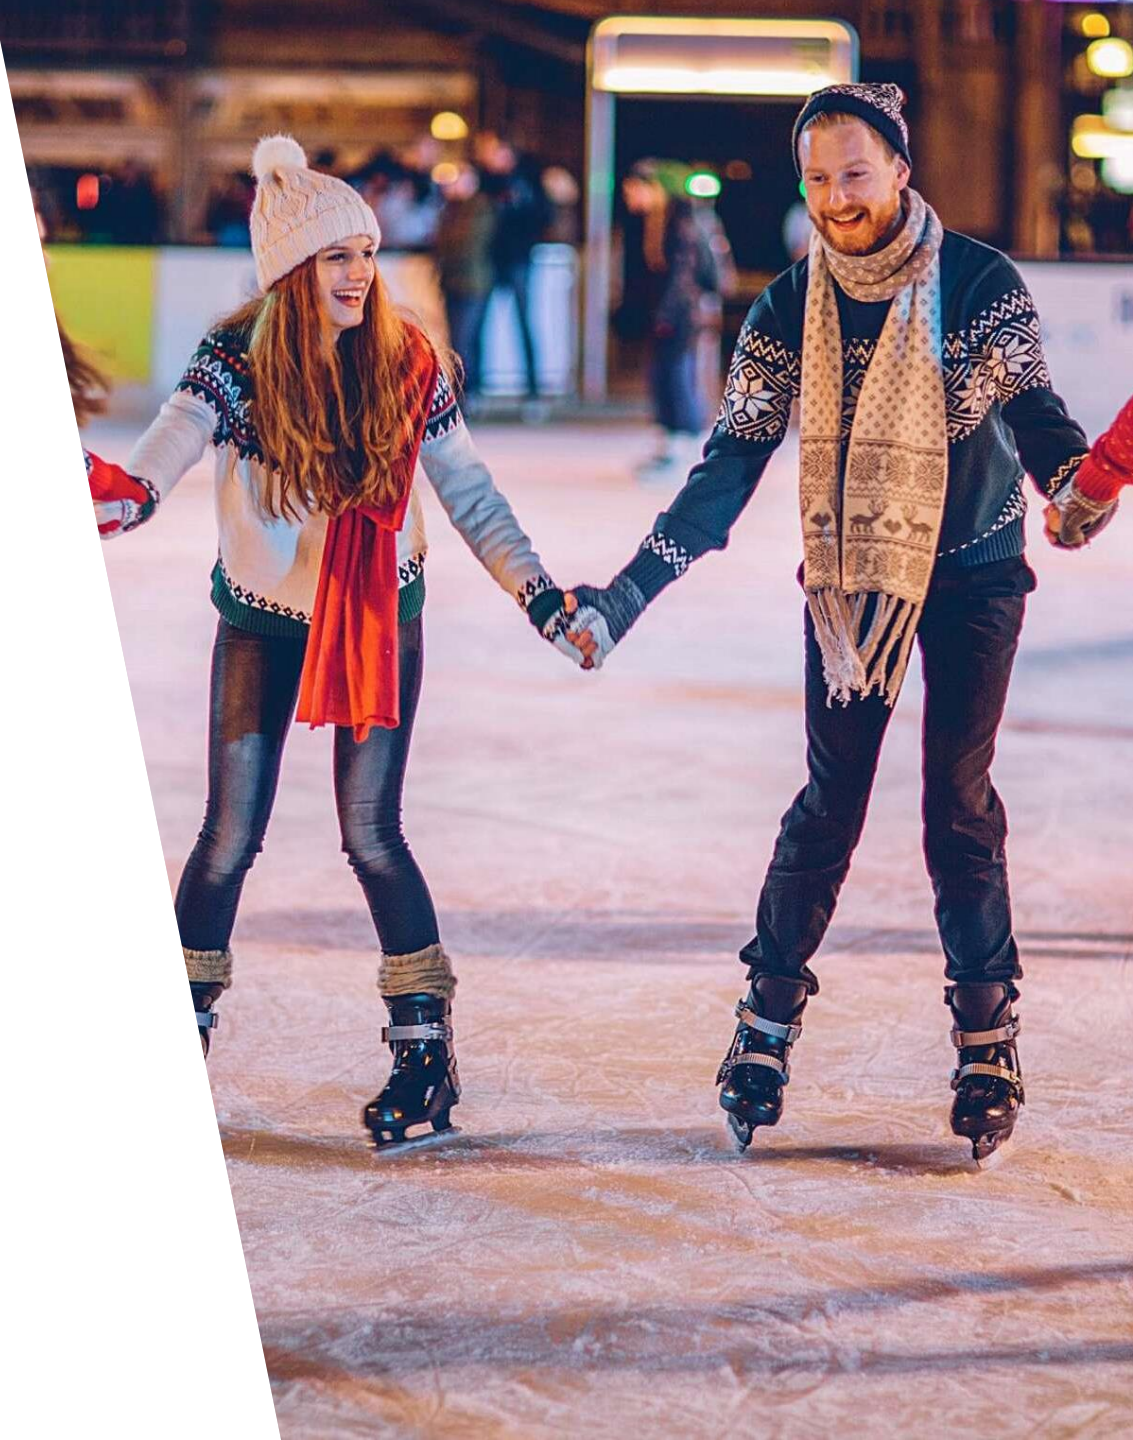

Activation Occidental Park

December 8-10th

Ice Rink Activation

DECEMBER 8-10TH FROM 12PM TO 5PM

- DSA/MID is looking to bring a fun and free activation for the public for the holiday season in Occidental Park.
- Supporting local businesses during the colder months.
- Staffed by All Year Galaxy Sports who also set up the synthetic Ice Rink last year and Rolling Rink during All Star Weekend.
- Last year we had an estimated total of 5,026 visitors in the park for that weekend and about 1,000 skaters on the rink.

Ice Rink Activation

December 8-10th from 12pm to 5pm

- 40ft x 80ft Synthetic Ice Rink located in the Plaza
- 50ft x 90ft Tent covering in case of rain showers
- 24-hour security from Iron & Oak during the weekend
- No damage to the plaza during install/deinstall
- No displacement of local population
- Participants will be required to sign waivers.

Specks:

- Footprint for proposed synthetic ice rink installation includes a 40ft x 80ft synthetic ice rink
- 8ft x 8ft storage shed. Flat and hard surface. No incline. No obstacles.
- Wooden fencing

Specks:

- Cort Tent Rental will be using cement blocks to anchor the tent down.
- Each block will come with a rubber mat that lays underneath.
- Each tent leg will have a rubber foot and a wood square under it.
- Cort Rental crew has been advised to be mindful of the ground and will use the rubber mats as extra precaution.
