Date: April 25, 2018
Time: 6:00 – 9:00 PM
Location: Greenlake Elementary School
 2400 N 65th St.
 Seattle, WA 98103

The Seattle School District plans to renovate the existing Daniel Bagley Elementary School. The District is requesting modifications for: 1) increased building height and 2) less than required number of on-site parking spots, and 3) a digital message board.

The process for considering this request includes hearings before an advisory committee composed of neighbors and School District and City representatives. The Committee can recommend departures and any relevant conditions to be applied to minimize their impacts, or recommend denial. The Committee may make its recommendation following this meeting, or hold up to two additional meetings prior to making its recommendation.
