Re: 2022OPA-0212

CERTIFICATION:

I have reviewed the investigation for 2022OPA-0212, and I certify the investigation as thorough, timely, and objective.

Additionally, under Ordinance 125315, section 3.29.125(F), "OPA investigation plans shall include the prioritization of the investigation within OPA's ongoing body of work." While reviewing the Investigation Plan for this case, it was noted that this case was not prioritized as required by the Ordinance. OIG understands that OPA is in the process of reforming the Investigation Plan Template and that discussions regarding the Investigation Plan requirement continue. Based on this knowledge, and the quality of this investigation, OIG can certify this case while emphasizing the necessity of the requirement.

Sincerely,

Payton Schenck
