## **OIG EXP INV Certification Memo**

OIG has reviewed the proposed EXP INV for case number 2022OPA-0341. During review, OIG found the named employee did not complete the required use of force report as was directed by the incident scene's screening sergeant.

Based on the conversation had with OPA, OIG understands that this matter will be handled through Supervisory Action. Accordingly, this investigation is certified as thorough, timely, and objective.

Respectfully,
