Re: OIG EXP INV Certification for Case Number: 2022OPA-0402

OIG EXP INV Certification Memo

OIG has reviewed the EXP INV for case number 2022OPA-0402. The investigation is certified as thorough, timely, and objective.

However, during the course of the investigative review, OIG identified a bias allegation was not appropriately reported up the chain nor investigated. A secondary investigation should be opened to fully investigate the lack of reporting potential bias and follow-up bias screening.

Respectfully,

Mary Prang
