Partial Certification Memo

OIG has reviewed the investigation for case 2021OPA-0491. According to the Named Employee's CBA, OPA has 180 days to complete their internal investigation, otherwise no discipline may result from the investigation. Case 2021OPA-0491's 180-day deadline expired in 2022, and the case was submitted to OIG for certification after the deadline expired.

Accordingly, OIG can certify this case as objective and thorough, but not timely.

Respectfully,

Payton Schenck
