CLASS CANCELLATIONS

To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We'll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a canceled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

WAITING LISTS

We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.

SCHOLARSHIPS

Seattle Parks and Recreation wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. To apply for a scholarship, please talk to a member of our staff.
