MEDICATION INFORMATION AND TREATMENT AUTHORIZATION

It is important that we are aware of any medication your child may be taking in case of emergency. Please complete **BOTH** sides of this form and provide information regarding medication your child takes whether or not it will be taken during child care hours. All medication taken during child care hours must be administered by staff.

Medication Administration

State law prevents our personnel from administering medication unless we have a signed note from a physician stating dosage and procedure. If medication is required to be administered during child care hours, please bring this form and the medication in its prescription bottle and give it to a staff member. All medications must be dispersed by a staff member. Please do not leave medication in the possession of your child or in his/her lunch box. Let us know if the medication needs to be stored in a special way, i.e. in the refrigerator, or away from sunlight.
