

A. B. ERNST PARK NEEDS TO HEAR FROM YOU!

Seattle Parks and Recreation is expanding A.B. Ernst Park located at 719 N 35th Street, next to the Fremont Branch Library. Thank you to all who participated in our June Open House and in the on-line survey. We incorporated your input into design options and invite the community to participate in the second meeting for this project.

Please join Seattle Parks and Recreation's Planner and Site Workshop, landscape architects, at the Fremont branch library and provide feedback on the design options. We encourage families, neighbors and Fremont supporters to attend. Light refreshments and children's activities will be provided.

A.B. Ernst Park located at 719 N 35th Street, next to the Fremont Branch Library. This project will provide access for people with disabilities and improve safety and other features at the park. Funding for this park expansion is provided by Seattle Park District.
