YOU ARE INVITED!

ALKI PLAYGROUND IMPROVEMENTS GIVE YOUR INPUT

Seattle Parks and Recreation is partnering with Seattle Public Schools to redevelop the paved parkway, playground, and sports court located between Alki Playfield and Alki Elementary. We will be showing initial design concepts at the Alki Community Summer Celebration and look forward to hearing your feedback. Speak with the design team and let us know what you love about your community. The project will be built by Seattle Public Schools as part of the Alki Elementary School Addition and Modernization.

HELP US DESIGN YOUR SPACE

- Take this survey to share your ideas for Alki Playground: <https://forms.office.com/r/jVDxJWcFmZ>
- Find our tent at the Alki Community Summer Celebration to preview concept designs and provide input.
