

HUTCHINSON PLAYGROUND RENOVATION

Project Goal

Hutchinson Playground will undergo a complete park renovation. This project includes new playground resurfaced sport courts, basketball court reconstruction, playfield repair, landscaping improvements, and pathway and site improvements to meet accessibility standards and improve safety.

Upgrades will improve places for the following:

Budget

The Seattle Park District is providing \$4,105,000 for this renovation.

Project Schedule

Planning: 2023

Design and Permitting/Bidding: 2024

Construction: 2025

Anticipated Site Impact

The playground will be closed in 2025. We will attempt to minimize disruptions to the play area during the school year. All users will be notified of park closures and alternative locations for recreation.
