

LITTLE BROOK PARK REDEVELOPMENT

JOIN US!

FRIDAY, SEPTEMBER 22, 4-7 P.M.

This project will complete the redevelopment of Little Brook Park beginning with the design developed by community members led by Lake City Collective.

Improvements will include an updated play area, picnic tables and seating, a covered gathering area, creek boardwalk, a community garden, and restroom.

This project will also partner with the Seattle Department of Transportation (SDOT) to develop a pedestrian plaza extension to the park in the permanently closed section of 32nd Avenue Northeast in front of Little Brook Park.

LITTLE BROOK PARK REDEVELOPMENT

Seattle Parks and Recreation invites YOU to participate in the Little Brook Park redevelopment project.

At this event we will share the current schematic design of the park space and begin gathering input for the design of a plaza extension for the portion of 32nd Avenue Northeast that has been permanently closed by the Seattle Department of Transportation for use as a Healthy Street.
