

JOIN US AT THE MORGAN JUNCTION FESTIVAL!

Community involvement is essential in developing the new park at 6311 California Ave SW adjacent to Morgan Junction Park. Thank you to everyone who has participated and informed the design.

The design firm, Board & Vellum and our project manager are excited to be participating in this year's festival. Please visit our booth to reconfirm the park design and provide input on additional features.

After the festival, we will host an on-line survey to gather input from people unable to attend.
