Design Ideas

An aerial photograph of a residential property, including a house, a swimming pool, and a lawn. A semi-transparent grid is overlaid on the entire image. A vertical white line is drawn on the lawn, extending from the bottom edge of the house down towards the bottom of the frame. The text "Option 1" is positioned to the left of this line, overlapping the lawn area.

Option 1

An aerial photograph of a building with a dark roof and light-colored walls. A white grid is overlaid on the entire image. A vertical white line is drawn on the right side of the building. The text "Option 2" is written in white in the lower-left quadrant of the image.

Option 2

An aerial photograph of a building with a grid overlay. The building has a central section with a dark roof and two large, light-colored wings. A vertical white line is positioned to the right of the text. The text "You voted." is written in white, sans-serif font. The background is a dark, semi-transparent grid.

You voted.

An aerial photograph of a building complex with a grid overlay. A vertical white line is positioned to the right of the text. The text "We redesigned." is written in white on a dark background.

We redesigned.

An aerial photograph of a building and surrounding landscape, overlaid with a dark grid. The image is semi-transparent, showing a building with a central tower and several large, irregularly shaped areas that appear to be highlighted or selected. The text "And redesigned again." is overlaid in white on the left side of the image.

And
redesigned
again.

An aerial photograph of a building with a grid overlay. The image is semi-transparent, showing a dark grid pattern over a lighter background. The building is a large, rectangular structure with a central section. There are several dark, semi-transparent shapes overlaid on the image: a large, irregular shape on the left, a smaller one below it, and a vertical line on the right. The text is centered in the left half of the image.

Before we
show you the
final design, we
want to say...

An aerial photograph of a city with a grid overlay. A large 'X' is drawn on a building in the center. The text 'THANK YOU SO MUCH for your time, ideas, energy, and patience!' is overlaid on the left side of the image.

THANK YOU
SO MUCH
for your time,
ideas, energy,
and patience!

CROSSWALK IMPROVEMENTS

A vibrant splash park scene with children playing in a blue pool and under various water sprays. The park features a large blue pool, several water sprays, and a central structure with blue arches. Children are seen playing in the water, and a large circular graphic is overlaid on the left side of the image.

Splash Park

Splash Park

A young child is crawling on a wet pavement at a splash park, surrounded by multiple jets of water spraying upwards. The child is wearing a white t-shirt and dark shorts, looking towards the left with an open mouth. In the background, other children and adults are visible, some standing and some sitting on a bench. The sky is bright and cloudy. A large, semi-transparent white circle is overlaid on the left side of the image, containing the text 'Splash Park' and a horizontal line.
