17	Focused on children. Trees and grass on the perimeter. A play structure that is visually stunning, creative, but also provides challenging, interesting, fun for a wide range of ages. Artists at Play at the Seattle Center is an amazing example. An adjacent spray pad which is also thoughtfully designed for aesthetic and play. 19	It would be amazing if there were some sort of covered play area for children that would allow my kid to get some exercise and socialization even during the worst weather months. Additionally, I'm hoping this park will include lots of green space to counteract the massive development that is happening in the surrounding blocks. While I appreciate the focused development to start to address the need for much more housing options, I'm hoping we can be smart about trying to keep as much of a balance for the betterment of everyone in the neighborhood.	9/12/2017 9:39 AM

## West Seattle Junction Landbanked Site Park Project Survey

23	I would love a covered park! We love to play outside rain or shine, but if there was a covered, but still outdoor park we'd be in heaven. I could nurse my little baby without getting soaked, my older kids could play longer and more often outside. It would be amazing if you'd add lights for the winter time when it gets dark at 4pm so we could play safety until 7ish, it would be perfect.	9/12/2017 9:11 AM
24	It would be nice to have a covered area in this park since it rains much of the year. Also, to have the park fenced or gated would be great especially for younger kids. Lots of benches for adults. Please use the Bellevue Square park as a model. Cool bench swings.	9/12/2017 9:00 AM

34	No dogs please. I am tired of seeing dogs poop where kids play. How about a kids park without fear of stepping in poo. Yep I am dreaming here, I know.	9/12/2017 6:42 AM
35	A covered playground would be amazing! Why don't we have more covered play equipment in a city that drizzles most of the year?	9/12/2017 6:25 AM

42	A fenced and gated and covered playground. We have one tot lot that is tiny and it the only gated playground that I know of. An absolute boundary is great for small kids and also those who have disabilities that cause them to wander. Covered because its nice to be outside and not be wet.	9/12/2017 12:08 AM
43	Very kid friendly, for kids of ALL abilities, similar to the new Bellevue park. Soft ground play space, water feature, shaded seating, ample parking.	9/12/2017 12:07 AM
44	A place for children to play safely, to build community by meeting neighbors, etc.	9/12/2017 12:06 AM
45	Gated and safe for young kids. A place where families can stretch out and relax	9/12/2017 12:01 AM
46	A playground like the downtown Bellevue park or Luther Burbank playgrounds. With covered swings for parents.	9/11/2017 11:47 PM

49	Some exercise equipment would be cool, tough with BBQ and shelter, picnic tables	9/11/2017 2:05 PM
50	My dream would be a fenced play area for shy dogs, right now we have to travel to West Crest Park and beyond for off leash activities that provide a fenced area for shy dogs.	9/11/2017 12:48 PM
51	that it not turn into a children's playground	9/11/2017 12:37 PM

## West Seattle Junction Landbanked Site Park Project Survey

52	Design to provide space for both relaxation and light activities. Absolutely no playground!	9/11/2017 12:03 PM
53	It needs to be active, and cater to active folks. There's almost nothing active, including for younger people near the Junction. A skate park would be amazing in part of it. Please, please put in at least one basketball hoop.	9/11/2017 10:02 AM
54	My dream for the park is not to make it a magnet for the homeless. It is rather tucked away, and I do fear that. Be sure to put in benches with metal dividers so it deters sleeping on the bench. Would love to see some public art!	9/11/2017 5:07 AM
55	We are seniors and my husband is wheelchair bound. We have a small dog who is not a service dog and therefore not allowed in restaurants, theaters, etc. Would love an ADA accessible destination where the three of us could hang out in a beautiful, safe, setting!	9/11/2017 12:30 AM
56	A grassy area with planted flower beds that have a few trees and shrubs. A few benches for seating.	9/10/2017 10:25 PM
57	Area for kids with area for adults/teens to stay in shape (like basketball courts) and some nice trees/plants!	9/10/2017 10:13 PM
58	Off leash dog park!!	9/10/2017 9:51 PM
59	A playground! We used to live at the junction. Now we moved a mile away and drive down from time to time. But the one lament we've had for a while now is the lack of a place for little kids to play. That would help us to visit more often, because, having kids, each trip we do we have to think "what can we have the kids do?" Currently, when we go to the junction, we don't really have many options. We were thinking ideally a playground at the existing park near Cupcake Royale, but this new park would do. Please!!	9/10/2017 8:50 PM
60	A place that makes the most of heats likely you be a shady spot, what with all the tall surrounding buildings	9/10/2017 8:20 PM
61	A welcoming clean, safe, green (grass, trees, flowers) spot in which to rest, chat, meet, play with friends, neighbors and visitors. I am against a dog park. I am a dog owner and can testify to the poopy, muddy conditions parks suffer when offered to unleashed dogs.	9/10/2017 6:44 PM
62	A natural environment that bring sanctuary and peace to our community.. which we so greatly need.	9/10/2017 4:55 PM
63	Good lighting to deter crime	9/10/2017 4:54 PM
64	A place where people could walk around if they wanted to, sit if they wanted or needed to, and kids could play.	9/10/2017 4:34 PM
65	oops, please see my other specific comments in question 1.	9/10/2017 3:24 PM
66	With so many apartment and condo dwellers, my dream for this park is, at lease in part, a neighborhood garden.	9/10/2017 2:42 PM
67	A park that is kept clean and free of homeless, drug addicts and criminals.	9/10/2017 2:29 PM
68	Safe place for families to hang out with their pets, free of crime & people living in the park.	9/10/2017 2:03 PM
69	Playground and benches and garbage can are good. Possibly a food truck and a grass lawn.	9/10/2017 1:09 PM
70	Dog park	9/10/2017 9:56 AM
71	Something like new seattle center playground maybe dog park w a skate dot somewhere and basketball hoops that can become an ice skating court in winter. Think family fun. Need to get people in here all times a day to curtail undesirable activities. Some shade trees and lawn areas but don't make the landscaping the focus of it will be junkie heaven. A skate dot (mini ramp) w a manual pad and bank to curb. Maybe a trials bike perimeter trail. An elevated plaza w concessions like the hi line in NYC 20 feet above the entire park to create summer time shade below and winter time dry refuge for rambunctious kids.	9/10/2017 8:35 AM
72	Children's playground with surrounding lawn.	9/10/2017 7:30 AM
73	An urban oasis amid all the housing. A place to stop and enjoy nature for a momentary respite.	9/10/2017 7:04 AM
74	the park should be useful to residents, much like Ercolini park is to the families that frequent it.	9/9/2017 10:46 PM
75	I'd love to have a space to take my two dogs as we live in one of the surrounding apartment buildings	9/9/2017 10:16 PM

78	Food truck area	9/9/2017 8:37 PM
79	Dog park	9/9/2017 8:18 PM
80	Something like Ercolini Park which is a very happening place! Provides open space for many young families	9/9/2017 8:15 PM
81	Provide an oasis among all the development going on in W. Seattle	9/9/2017 7:22 PM
82	City can't have too many places for kids to play. Also, it could be a great outdoor community event space to build community.	9/8/2017 5:33 PM
83	A place to enjoy some greenery where shrubs aren't butchered by hedge trimmers and trees aren't cut at the base by weed whackers like most other parks. Don't waste my money that way! Budget better for better maintenance!	9/8/2017 1:06 PM
84	Spray park!!	9/7/2017 9:47 PM
85	A spot of shade and greenery	9/7/2017 7:33 PM
86	Exercise course as not everyone can afford any of the gyms in WS Or Outdoor community pool that would be open more months than Lincoln park pool. Or BBQ areas with covered areas for groups to reserve for picnicking or work gatherings. Outdoor theatre Outdoors games	9/7/2017 6:17 PM
87	First, that it is clean, well-maintained and safe for my young teenagers to go there on their own. Second, that it has healthy, well-maintained plants and trees. Third, if there's space, that it has a basketball hoop for my kids to use.	9/7/2017 3:53 PM
88	A durable park that attracts a diverse demographic mix of people (not just middle- and upper middle-class citizens from northern part of West Seattle area).	9/7/2017 10:21 AM
89	An off leash dog park	9/6/2017 4:52 PM
90	A place to gather and also rest if needed. Hopefully there will be a restroom.	9/6/2017 3:24 PM
91	A place that brings my community together on a regular basis	9/6/2017 3:23 PM
92	Big enough to actually call it a park! Accessible to the Alaska Junction population which has grown exponentially with no new green space or playgrounds.	9/5/2017 2:39 PM
93	Somewhere why I can take an evening stroll or just go sit in a bench to relax after work.	9/2/2017 9:46 PM
94	I dream that this would have a playground, consisting at minimum of 4 swings, and the playground would have significant accessibility for children with disabilities. I know that no matter what the design and intended use, people will walk their dogs here, let them off leash, and leave the poop behind, so I'd strongly advocate to separate the dog part of the park (or, better, an off-leash dog area!!) from the kids. Being near to do many larger apartment buildings, kids and dogs need to be able to use this space to run off steam, but people who don't like dogs shouldn't be excluded from using this area.	9/2/2017 4:20 PM
95	I love dogs, but I would like to be able to work out in some portion of the park that will not be open to pet waste	8/31/2017 8:29 PM
96	Quiet, green space	8/31/2017 10:51 AM
97	have both space for families and dogs.	8/31/2017 9:55 AM

99	West Seattle is in need of an off leash dog area	8/29/2017 10:00 PM
100	Off leash dog park, i.e., one that is accessible in W. Seattle w/o a car.	8/29/2017 7:44 PM
101	Off leash hours dog park, no chain link fences around a small square of gravel, pls	8/29/2017 1:56 PM
102	I would like to see an off-leash dog area for local West Seattle dog owners.	8/29/2017 1:49 PM
103	A place to make you feel like you are in nature though you are in the midst of a city. Also a public space that is not just a dwelling for the homeless or drug users like a lot of our parks have turned into	8/29/2017 1:21 PM
104	Dog park!	8/29/2017 1:12 PM

105	A calm quiet place to enjoy nature.	8/29/2017 12:09 PM
106	An off-leash dog park in the junction would be incredible!	8/29/2017 8:03 AM
107	Off leash dog area	8/28/2017 5:53 PM
108	We would love a dog park in this end of west Seattle.	8/28/2017 5:52 PM
109	Peaceful, NO cars driving up and down near the park areas (like Alki) NO DOGS! off leash. enforced heavily.	8/28/2017 3:29 PM
110	Off leash dog park	8/28/2017 3:24 PM
111	To include an offleash dog area	8/28/2017 2:34 PM
112	Something like Ercolini	8/28/2017 10:54 AM
113	An off-leash dog park would be great. It doesn't even have to take up the entire space, so a playground could go here too. There is a small dog park near the intersection of Pine and Minor Ave in Capitol Hill (right above I-5, approximate address is 1127 Pine St) that this could be modeled after.	8/28/2017 10:21 AM
114	Dog park	8/28/2017 8:32 AM
115	Dog off leash park	8/28/2017 6:02 AM
116	Large play area suitable for kids of all ages and abilities	8/27/2017 10:29 PM
117	That this could be a safe and sanctioned dog park in West Seattle. We desperately need one.	8/27/2017 8:19 PM
118	West Seattle is far underserved with off leash areas and considering the amount of high-rise construction in the neighborhood that is also dog friendly housing we absolutely need more places for dogs to run!	8/27/2017 7:33 PM
119	I would love a small (or several) small fenced areas where people could reserve 30 min. to play with their dogs off-leash. There are a surplus of parks and parklets available for adults and children to play, however West Seattle is severely lacking in adequate spaces for apartment dwelling dog owners. Westcrest is the only off-leash area near West Seattle and even then it is incredibly inconvenient unless you have a car or live nearby.	8/27/2017 4:59 PM
120	Dog park	8/27/2017 1:52 PM
121	To be able to walk my dog without fear of attack of other dogs or fear of attack from abusive Animal Control Officers over zealously enforcing the law for the sake of profit.	8/27/2017 11:39 AM
122	Off leash dog park	8/27/2017 7:26 AM
123	A quiet refuge from all the noise, a natural area, with native trees and shrubs	8/26/2017 6:36 PM
124	A safe place to walk and sit	8/26/2017 4:33 PM
125	An off-leash fenced dog park would be amazing! Westcrest is too far away from West seattle, given how many dogs are in the area. They outnumber children, so a dog park would be an absolute dream for so many people.	8/26/2017 4:29 PM
126	I would love to see an OLA in this park. West Seattle needs a dog park.	8/26/2017 3:30 PM
127	Dog park	8/26/2017 2:49 PM
128	Please incorporate an off leash dog park. I currently have to go all the way to Westcrest from the Junction area. So surprising that we don't have a closer option given all the parks already in the area. Thank you!	8/26/2017 12:33 PM
129	We should encourage families and neighbors to gather, play, and enjoy public spaces together. This creates connected communities and builds trust.	8/26/2017 10:32 AM
130	Off- leash dog park, non-existent in our neighborhood	8/26/2017 9:39 AM
131	An open space for kiddos or seating for a quiet moment. Landscaping and areas of shade would be great.	8/25/2017 9:52 PM
132	To have an open space for my dogs to play off leash.	8/25/2017 9:13 PM
133	My dog and I would love an offleash dog park, please! There are already many parks in West Seattle where children can play, and people can picnic, walk, and enjoy nature, where dogs must wear a leash.	8/25/2017 9:08 PM

134	The ultimate dream park would be a modern up to date "splash park" that so many of the surrounding cities have. At least on one side of the lot	8/25/2017 9:01 PM

136	let it be an off leash area with landscaping!!	8/25/2017 2:56 PM
137	My dream is to have a dog park near my home.. A large grassy, manicured play area near my home.	8/25/2017 12:58 PM
138	Small dog park with trees	8/25/2017 9:18 AM
139	It would be great to have an off leash dog park for people of the Junction. There are a number of walking parks and playgrounds but only one dog park a great distance away from the junction.	8/25/2017 8:22 AM
140	Off-leash area	8/25/2017 7:02 AM
141	The widest variety of citizen can use it, dog friendly, kid friendly, group friendly, community friendly.	8/25/2017 1:50 AM
142	I'd love to see part of it as an off-leash dog park!	8/24/2017 10:50 PM
143	We need a dog park much closer to WS than Westcrest. There are currently many parks in our neighborhood, but no place for our four legged family members to stretch their legs!!	8/24/2017 10:18 PM
144	Big shade trees and playground	8/24/2017 9:54 PM
145	It would be great if there were a new dog park in the area!	8/24/2017 9:47 PM
146	Off leash dog park with trails to walk around maybe agility equipment	8/24/2017 8:09 PM
147	There's a lack of dog parks in this part of the city, ideally a nice dog park and some green areas so people can hang out would be ideal	8/24/2017 6:30 PM
148	Dog park	8/24/2017 5:45 PM
149	Model it after a NYC park (but smaller). Include a covered area with table & benches - sufficient for poetry readings and small events, some kids park toys, a couple of concrete chessboard tables, a water feature, low maintenance natural landscape, an edge of bird habitat, lighting to afford good safety, real bathrooms. Prohibit dogs entirely. There are enough green spots for dogs. When dogs overtake a small park there is green bagged and unbagged feces all around the ground (you know it is true), and the result is that families with kids, elderly people and others don't use the park so it becomes de facto a dog only park.	8/24/2017 5:22 PM
150	The junction/admiral neighborhood is in desperate need for a dog park! With such a high dog population in the area, it would be wonderful to have a little spot to take them without having to go all the way to westcreat park.	8/24/2017 4:43 PM
151	A place where people can come and let their dogs roam free of restraints	8/24/2017 3:56 PM
152	My dream is that this park has an off-leash area where I can let my dog run around and play with other dogs. It would be INCREDIBLE if we were able to let our dogs play while off leash — somewhere within walking distance to our home!	8/24/2017 3:44 PM
153	I would love to be able to enjoy trails or a walking path surrounded by a beautiful landscaping.	8/24/2017 1:56 PM
154	Lots of green	8/24/2017 12:13 PM
155	Community activity/gathering space. "Town Square" so to speak	8/24/2017 11:40 AM
156	Lots of trees, space to walk the dogs, BBQ and hang out with friends.	8/24/2017 11:34 AM
157	A park w trees, picnic benches/tables and a small skateable art feature - ramp, curbs, rails. Geared towards beginners and/or street skating, but also w transition- curves, waves.	8/24/2017 11:25 AM
158	Quiet patch of trees and greenery where one can hide from the city	8/24/2017 10:36 AM
159	Safe, clean place for the community to gather.	8/24/2017 9:26 AM
160	A safe, comfortable open space that isn't too noisy (from traffic, mostly) -- a place that feels like a little bit of nature in the middle of the city, where someone can go to recharge.	8/24/2017 9:01 AM
161	A park that provides open space for those in dense urban housing, habitat for wildlife, improves water quality for the salmon and orcas, calms traffic, reduces our carbon foot print, serves as a community gathering space and allows people of all races and backgrounds to enjoy the city and maybe vegan gluten free food.	8/24/2017 8:00 AM

171	I would love to see a 2/3 acre OLA.	8/23/2017 8:05 PM
172	Green space and tree cover are disappearing in West Seattle. I'd like this park to replace some of the trees that we've lost.	8/23/2017 8:04 PM
173	An open area with a playground and a small dog park. Dog friendly, trees, kids friendly, jogging loop grass!	8/23/2017 7:31 PM

183	A good and safe gathering place for families with their dogs. It would be great if their was BBQ	8/23/2017 4:07 PM

187	I think it be nice to have some acoustical water fountains and bonsai trees/ flowers for the park. It would be nice having some parks to get away from the feel of the city and have an engineered acoustical environment.	8/23/2017 11:38 AM

194	A park to remind us of what we've lost as our little part of Seattle has been turned over to developers. Something low-tech, quiet, spacious. A border of drought-tolerant Rosa rugosas etc would be nice.	8/23/2017 8:02 AM
195	It would be great to have a dog park in this neighborhood. There is a ton of dog waste left in the area and this could help curb it.	8/23/2017 7:53 AM
196	To be a off leash dog park complete with appropriate garbage for waste and faucets for drinking water. Benches to sit. Grass area and soft ground cover for dogs to run. Separate area for small dogs. Agility props such as tunnels they can run through. A hosing off section just after you leave the dog enclosures (like Luther Burbank park)	8/23/2017 7:50 AM
197	A beautiful area for children to play and adults can exercise. Green!!! This neighborhood is lacking in green space with all the apartment. Trees!!	8/23/2017 4:33 AM
198	Off leash dog park	8/23/2017 2:09 AM
199	For a visual, do a Google search of "London Squares". They are little parks all around London, England. Usually they have grass layouts, pathways, with benches & trees lining the pathways and landscaped gardens. We need our own "Junction Square".	8/23/2017 1:04 AM
200	An offleash area with a good amount of trees for shade and greenery and maybe a small play equipment area adjacent to the fenced dog area. As a parent and dog owner it would be great to be able to let my dog run and play and also have an option for my kids to play. We go to westcrest but they don't have anything for them so they keep trying to play in the rocks that I know are covered in dog pee	8/23/2017 12:03 AM
201	Quiet, beautiful place to rest and recharge	8/22/2017 11:46 PM

211	being able to go for a nice walk and have a good off leash area for dogs	8/22/2017 8:08 PM
212	Our neighborhood does not have an off leash dog park and I've talked to many dog owners who would love one closento thr WS junction. Thanks for considering!	8/22/2017 7:30 PM
213	We live in West Seattle and have to travel an absurd distance to an off-leash area for our dog. We often drive to Mercer Island to use their off-leash area because our "local" off-leash park of Westcrest is so far and so poorly maintained. We need an area for the dogs of northern West Seattle to run legally off leash. There are many dogs that live in the nearby apartments of the junction neighborhood that get stuck inside all day. Given that Seattlites have more dogs than children, this idea needs to be seriously considered.	8/22/2017 7:12 PM
214	A dog park would be amazing. There are tons of human parks all over West Seattle (not to mention all the beach access) and only one small overcrowded dog park.	8/22/2017 7:09 PM
215	To be a dog park. Look at any map and it's clear, this neighborhood is underserved when it comes to an off leash dog area.	8/22/2017 7:07 PM
216	Dog park, please!	8/22/2017 7:00 PM
217	a dog park!	8/22/2017 6:55 PM

218	There is not a space for dog owners to take their dogs off leash anywhere nearby. With more and more apartments that are dog friendly we really need a dog space otherwise it will turn into a park for the homeless which is a whole different issue.	8/22/2017 6:53 PM
219	Dog off leash area please!	8/22/2017 6:43 PM
220	an interactive park that is usable year round for several age groups.	8/22/2017 6:36 PM
221	Community meeting space, playground, dog park!	8/22/2017 6:35 PM
222	We would love to see a dog park centrally located in West Seattle. Dog parks aren't just for dogs; they're a place for the entire community, including our children, to gather.	8/22/2017 6:23 PM
223	West Seattle needs a centrally located dog park. There are plenty of parks for children. More pets in west Seattle than kids. We need a dog park!!	8/22/2017 6:12 PM
224	Green, calming place given the large number of massed developments in the immediate area. An area set aside for dogs. Avoid play activities and such given the size of the park and the large amount of traffic in the area - fear it won't be utilized because of those factors.	8/22/2017 6:12 PM
225	I live in a nearby apartment complex. I'd love a closer dog park option then Westcrest park!	8/22/2017 6:04 PM
226	We could really use designated off leash dog play space closer than Westcrest! Generally flexible open play space for creative unstructured pursuits & gatherings.	8/22/2017 5:49 PM
227	A clean open place for kids to play and nice seating areas to enjoy picnics.	8/22/2017 5:40 PM
228	Off-leash dog park. Many local residents own dogs and there are very few places o let them run.	8/22/2017 5:06 PM
229	Seems site seems small and rather dense. This would probably be most used by those taking their dogs out for a poop or pee break. Otherwise with all the urban density these dog owner will use the streets or landscape boxes.	8/22/2017 4:56 PM
230	A really nice play structure within walking distance of my house!	8/22/2017 4:50 PM
231	Would have GREEN -NATURE. Trees, plantings, maybe fountain for sound. Benches to rejuvenate that have some clear rain protection so will facilitate year round use.	8/22/2017 4:42 PM
232	a small dog run area as there are many dogs now in the junction	8/22/2017 4:12 PM
233	Nice, green, open space	8/22/2017 4:11 PM
234	Dog park with grass	8/22/2017 3:54 PM
235	Having a mixed use space would be ideal. Sport courts/skate park/off-leash area and tables for gathering, would be wonderful.	8/22/2017 2:58 PM
236	It would be great to have an offleash area here as there are many apartment residents with dogs and no land. West Seattle could really use an offleash park (Westcrest is pretty much White Center) and this would be a perfect spot.	8/22/2017 2:54 PM
237	A green oasis in the city, with lots of plants and gardens.	8/22/2017 2:53 PM
238	A place to bring my dog to enjoy some quality time.	8/22/2017 2:13 PM
239	Activities that keep undesirables from taking it over.	8/22/2017 2:12 PM
240	Some space for an off-leash dog park would be awesome!	8/22/2017 2:08 PM
241	I just hope that the area will be beautiful enough to bring family and friends. If possible, I'd like to see a off lease area since the one I go to is all the way down in magnuson park. The one near me isn't too good.	8/22/2017 2:05 PM
242	I would love an off leash area to enjoy with dogs, but also a place where I can sit down and read a book or walk around.	8/22/2017 1:56 PM
243	I would love a space for my fury 4-legged friend to run and play off leash! It doesn't have to be huge but would be nice to not have to go to white center for the nearest dog park where the chances of your car getting broken into are really high.	8/22/2017 1:50 PM
244	A place that let me feels like part of nature, but also a location where I can take my dog.	8/22/2017 1:29 PM
245	A area consisting primarily of native plantings and footpaths. Seating and tables spread throughout. No large hardscaped areas, and more options for shade than with Junction Plaza park. It would be nice to see some larger, more mature trees installed there from the start.	8/22/2017 1:14 PM

## West Seattle Junction Landbanked Site Park Project Survey

246	There are no official off-leash areas nearby. This would be a good location for a dog playground.	8/22/2017 11:43 AM
247	Clean, green, nicely planted (Seattle City Parks gardeners who did the Alki border gardens, near the bathhouse are awesome).	8/22/2017 11:34 AM
248	There are no play structures in the junction. Please consider adding a playground.	8/22/2017 10:54 AM
249	A relaxed place in the middle of the hustle and bustle. A place to enjoy time alone or with family and friends. Everyone is welcome.	8/22/2017 10:53 AM
250	A nicely lighted sports court. Basketball, tennis, pickleball	8/22/2017 10:52 AM
251	To have a huge dog-friendly park where people can do activities like sunbathing, hanging out, with their dogs	8/22/2017 10:49 AM
252	A dog park. West Seattle needs one!	8/22/2017 10:41 AM
253	We just moved to The Junction and we love it, but we would love an off leash area for our dogs to play	8/22/2017 10:37 AM
254	A place safe and clean for families with children to enjoy the outdoors and get some exercise	8/22/2017 10:35 AM
255	Places for activity (e.g. basketball courts)	8/22/2017 10:30 AM
256	An open space to relax near the junction that isn't overrun by junkies or covered in dog poo like Junction Plaza Park.	8/22/2017 10:28 AM
257	Out of doors senior fitness center with stations for a progressive exercise experience.	8/22/2017 10:27 AM
258	The entire park should be an off-leash area. We already have other parks around west seattle.	8/22/2017 10:25 AM
259	Preserving green space for all to enjoy.	8/22/2017 10:19 AM
260	There are several apartment buildings either currently in the area or soon to be constructed and an open area where dogs could get outside and play would be a huge benefit.	8/22/2017 10:15 AM
261	Would love a dog park or basketball and heads area. Would love to be able to use the park without rude drunks/druggies/transients throughout it.	8/22/2017 10:15 AM
262	Solitude, peaceful	8/22/2017 10:10 AM
263	One that incorporates active recreation.	8/22/2017 10:05 AM
264	A small space for peaceful quiet sitting, reading, relaxing. Since the space is smaller, a garden or small path to different bench areas would be nice.	8/22/2017 9:55 AM
265	A clean, urban park that allows for people-watching and a chance for people in apartments to have a place to "get away."	8/22/2017 9:39 AM
266	Vagrant and dog free	8/22/2017 9:29 AM
267	Dog run	8/22/2017 9:22 AM
268	West Seattle is lacking in dog parks even though the dog ownership in WS is higher than most neighborhoods in Seattle. A small dog park in the Junction would be very useful near all the new apartments and commercial core. Having to get in the car and drive to Westcrest to get your dog some social interaction is timely and wasteful.	8/22/2017 9:07 AM
269	With Increased density brings an increase in the number of dogs with little access to off leash areas for pets in the West Seattle area.	8/22/2017 8:21 AM
270	Green space without a lot of hardscaping taking up space.	8/22/2017 8:09 AM
271	this park should be a small sized dog park for all the apartment living currently existing and planned for by the light rail stop--there are thousands of people living and moving into this area that are doing so for a car free life, yet the dog park is all the way down to white center in westcrest. something like the capitol hill dog park would be great. kids already used ercolini and fairmount nearby.	8/22/2017 8:02 AM
272	I'd like it to be a restful open space where we could sit and relax and enjoy the natural world in the midst of the city. A quiet space for rest and reflection.	8/22/2017 8:01 AM
273	An amazing playground! The other public playgrounds in this area are not great	8/22/2017 7:32 AM
274	A dog park for the dogs living in the neighboring apartments.	8/22/2017 7:20 AM

## West Seattle Junction Landbanked Site Park Project Survey

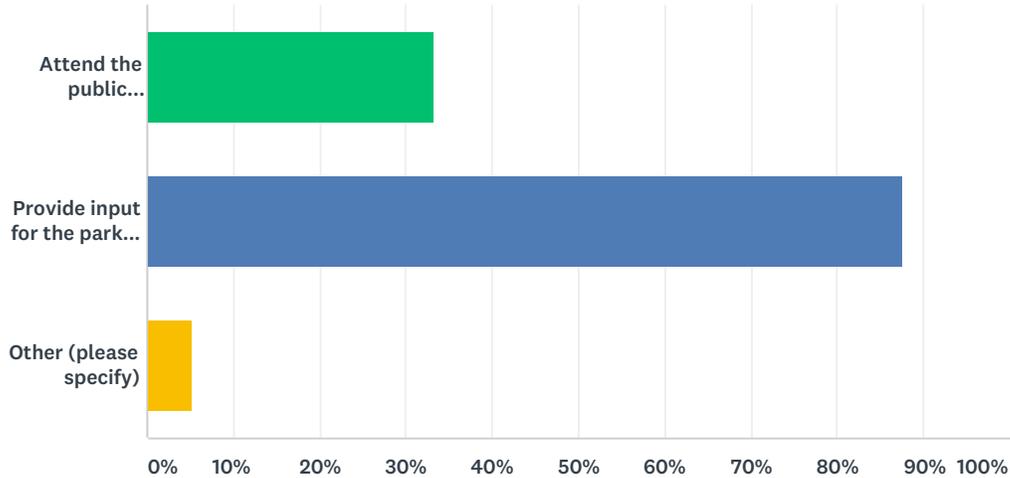

275	Just a nice little neighborhood park. As much landscaping/nature as possible. Lots of birds. No crazy people smoking and drinking in the park Day after day, like all our other west Seattle parks. No dogs!!	8/22/2017 5:56 AM
276	A offleash dog park with lots of vegetation. There are lots of dogs in nearby apartments.	8/22/2017 3:57 AM
277	Passive green space with tree canopy and well-lit for moderate evening use. LED lighting elements discreetly installed within structural elements of the park (as has been done in other new/renovated parks in Seattle) would be very nice.	8/22/2017 12:46 AM
278	activity oriented, cool design with some art aspects on fencing and benches, maybe a few built in game tables	8/21/2017 11:51 PM
279	Family friendly, lots of activity options, swings at least, playground	8/21/2017 11:27 PM
280	Dog park	8/21/2017 10:45 PM
281	To let tax paying citizens enjoy it. To avoid it becoming a hang-out for the homeless. Sectioned benches should be used so that sleeping on the bench is not allowed.	8/21/2017 9:37 PM
282	Urban Green Space the city actually takes proper care of after building (sprinklers, pruning, trash can) with trees, flowering drought tolerant plants that entice not only people to want to enjoy but birds and insects. No dog park please, I own and love dogs but believe they are bad for all.	8/21/2017 9:35 PM
283	There is so little space for off leash areas for dogs over here in West Seattle. There are lots of parks for kids, but nothing for dogs in central west Seattle.	8/21/2017 9:25 PM
284	This park must have some type of connection to the larger community that the property doesn't currently have, especially to the west and north. Otherwise it will become a private park for the apartments to the south and west.	8/21/2017 9:12 PM
285	Would love to see bands play like Redmond open concerts	8/21/2017 9:06 PM
286	Not a concrete park, but mounded grass and beds with tables, paths. If room a circuit training course. Open space to sit, walk, enjoy, not densely developed like kid play area I can't visualize the size so not 'busy'.	8/21/2017 8:45 PM
287	A peaceful respite. Dog free.	8/21/2017 8:43 PM
288	Active, climbing, physical activities for children. Covered and uncovered	8/21/2017 8:34 PM
289	Family friendly...a lot of those who live in junction have no yard for kids to play. Having an area similar to a "backyard" type atmosphere would help fill that void.	8/21/2017 8:20 PM
290	A park close enough for an easy spot to take a break from the busy part of the Junction, but also near enough for community events	8/21/2017 8:19 PM
291	A playground near the Junction with picnic tables, shelters and/or shade. Maybe even some water features like Ballard commons for summer	8/21/2017 8:08 PM
292	A place to sit and enjoy my coffee that I get from next door	8/21/2017 8:07 PM
293	Clean, no homeless/squatters. Clear access and designated spaces. Open green areas.	8/21/2017 8:03 PM
294	A functional spot with some sort of activity like skateboarding and/or basketball. If no activity, it will shortly be taken over by homeless.	8/21/2017 7:58 PM
295	Native trees and plants with water features. Urban nature sanctuary	8/21/2017 7:57 PM
296	Off-leash dog	8/21/2017 7:29 PM
297	Off leash area for dogs	8/21/2017 7:23 PM
298	Safe, well lit, clean, 4-season foliage.	8/21/2017 7:14 PM
299	Safe play for kids 5-12 yrs, community gardens	8/21/2017 6:27 PM
300	A dog park. West Seattle is growing and desperate need for off leash.	8/21/2017 6:00 PM
301	A beautiful gathering place for the community filled with sustainable food plants and trees. Blueberries, huckleberries apples, plums, etc.	8/21/2017 5:54 PM
302	Grass, trees, and a place for dogs to potty	8/21/2017 5:44 PM
303	Allow us to take a few steps into the park and leave the city behind.	8/21/2017 5:36 PM

## West Seattle Junction Landbanked Site Park Project Survey

304	Quiet place with shade and seating, and place for small gatherings for community events	8/21/2017 5:35 PM
305	A green (trees/shrubs) space for humans to walk, relax, picnic...it's shoehorned between tall buildings, so shade-friendly plantings are needed!	8/21/2017 5:33 PM
306	a fitness course	8/21/2017 5:32 PM
307	Simple swings for the kids, seating to have lunch outside, engaging & informative art, plants that attract and feed bees & birds, trees to provide clean air and visual relief from the large buildings	8/21/2017 5:25 PM
308	Open	8/21/2017 4:58 PM
309	A community space that rewards interaction. I'd love to see community bulletins (electronic?), artwork, and space that local people are drawn to shape. Public wifi, an onsite local food/drink vendor, and sheltered seating are must haves.	8/21/2017 2:25 PM

5	Email comments if I can't make the meetings	9/12/2017 12:11 AM
6	Providing design input can't be done effectively via survey, and saying a table at a farmers market is a public meeting is disingenuous. Hold place-based public meetings for real input at a variety of times and days for working people!	9/8/2017 1:06 PM
7	I'll try and stop by the Farmer's Market booth	9/7/2017 3:53 PM

1	Please post preliminary designs on the Seattle Parks webpage for review.	9/13/2017 1:37 PM
2	dfg	9/13/2017 1:24 PM
3	This is a horrible survey. Is question #1 & #2 the only opportunities to provide input for what we want to see in this park?	9/13/2017 1:20 PM
4	Thanks for constructing a new park in West Seattle. Our growing community really needs it!	9/12/2017 8:50 PM
5	Please consider the fencing. It's a safety issue. More and more sketchy people out there.	9/12/2017 8:19 PM
6	Fully fenced! Possibly covered, but fencing is more important.	9/12/2017 12:54 PM
7	A fenced park with a sheltered area would be ideal.	9/12/2017 12:42 PM
8	Please hold public meetings during the day on the weekends or evenings after 7pm so parents can attend.	9/12/2017 12:32 PM
9	This is an exciting opportunity for a "central park" of sorts in the heart of West Seattle, let's make it the most beautiful place in our town!	9/12/2017 11:21 AM
10	Splash park! Zip lines, edible trees and plants with maybe a plaque w info about them	9/12/2017 11:16 AM
11	I know there was some discussion of using this space for a dog park. As a dog owner, I appreciate the incorporation of open space for pups, however given the massive development of the area, I think it's important to use this space to balance things out for the whole community, not just dog owners (and their dogs). Also, adding a dog park in that contained space feels like it will add a lot of noise pollution that will negatively impact the neighborhood. While I understand that the dogs living in all those apartments could probably use some space, I think this lot would be better utilized for a park for kids and the community for a peaceful green space.	9/12/2017 9:39 AM
12	It would also be good if it included a spray park aspect for summer. My kids like climbing structures (like the Seattle Center park). Or a challenging climbing rock wall. We like swings and perhaps a sand box area for digging and using small dump truck toys. We also like merry go rounds and slides. Spongy material for the ground would be better than wood chips (slivers hurt!)	9/12/2017 9:00 AM
13	West Seattle needs more off-leash dog areas.	9/12/2017 8:35 AM
14	If you put a zip line please do not use the cargo style net as the base like at Lincoln Park. The base at Westcrest park is so much better.	9/12/2017 8:19 AM
15	Covered areas for our rainy seasons	9/12/2017 8:17 AM
16	What do you plan to do with the park? Please let us know the thoughts. Then we can decide if we oppose them and attend meetings.	9/12/2017 6:42 AM
17	Please have a gated area with a toddler play structure with benches and shade for tired mothers to be able to sit and let toddlers play without having to chase them down to keep them from running away.	9/12/2017 6:16 AM
18	We really need a covered playground to help our kiddos remain active during the rainy season	9/12/2017 6:00 AM
19	Thank you for building the community more parks!	9/12/2017 5:16 AM
20	Please consider making a fully accessible Playground!!! <a href="http://www.Harpersplayground.org">www.Harpersplayground.org</a>	9/12/2017 12:11 AM
21	Thank you!	9/12/2017 12:06 AM
22	Covered playground that can be used all year. We don't have any great, close parks.	9/11/2017 11:47 PM
23	Don't make it place that turns into a hangout for passed out junkies. Keep it active so these people that scare me away don't go there.	9/11/2017 10:02 AM

27	I'm hoping to vote on the "design" option that was offered at the farmers market maybe via online.	9/10/2017 4:55 PM
28	I appreciate your presence at the West Seattle Farmer's Market, it looked like people were interested in the park. I did not stop to ask questions but came to this site instead.	9/10/2017 2:42 PM
29	Great idea. Please pay attention to having enough trash cans and public safety	9/10/2017 2:03 PM
30	Don't mess this up. The junction needs more public space. Hire top people. Make it inviting above all els and something that can adapt as the neighborhood changes. Emphasize the community input over city planner wet dreams. Don't ram something through. Take time to do the outreach. Blow this and people will be super bummed.	9/10/2017 8:35 AM
31	West Seattle desperately needs a dog park	9/9/2017 10:16 PM
32	It would be lovely to have a place central to the Alaska junction to take a picnic lunch or take from one of our delicious local places and eat while children could run or climb.	9/9/2017 9:57 PM
33	Don't build this park unless you can afford to maintain it in a horticulturally proper way! Spending my money for plants that are improperly pruned and look ugly before quickly dying is a waste of our tax dollars. Train parks staff to do it right and rely less on gas-powered tools that destroy everything!	9/8/2017 1:06 PM
34	I am worried that it will be kind of dark, since it seems like the site is tucked into the hillside. I am worried that people will hang out there who my kids feel unsafe around, so my kids won't go use the park.	9/7/2017 3:53 PM
35	I am a 40 year resident of West Seattle and would like to keep as much green space as possible in our community. We need places to enjoy the outdoors and rest and meet others.	9/6/2017 3:24 PM
36	It is not in the population's interest to consider the golf course our 'green space'. Couldn't it and the track be used differently?	9/5/2017 2:39 PM
37	Seattle needs more designated off-leash areas, since most people don't follow the unenforced laws about keeping their dogs on a leash. "Oh, but my dog is friendly!" doesn't help at all for people who are allergic, scared, small, or just don't like dogs. This space needs a kids' play area.	9/2/2017 4:20 PM
38	There is no dog park anywhere near the north end of West Seattle - even a small space. It'd be nice to have a fenced in area for dogs where you could let you dog run around and socialize with other dogs without having to drive 20 minutes to almost white center.	8/31/2017 9:55 AM
39	I hate that city parks are overrun with vagrants, dog shit, and litter.	8/28/2017 10:54 AM
40	Thank you to the city for obtaining this property and letting the community provide feedback!	8/28/2017 10:21 AM
41	We have several parks for children. Many of us in WS have dogs whom would like to have a place for a good run. The park is also near small homes and apartment buildings with dog owners who don't have a good yard for their dog to exercise. This will also bring people together and business for stores/ restaurants nearby.	8/28/2017 6:02 AM
42	Even if the majority of the park is for people, allowing a small fenced area that allows a solo dog or a small (2-3 dogs) group to play/fetch/run would be a huge boon to West Seattle. Having areas like this would benefit the community and assuredly reduce the number of illegal off-leash dogs in parks/playfields. You could even use Seattle dog licenses as a 'membership' and a requirement to reserve the dog area for play. There is a desperate need for this sort of space in West Seattle.	8/27/2017 4:59 PM
43	Dog park	8/27/2017 1:52 PM
44	I regularly frequent West Seattle, especially this location while visiting friends and family that live close by. I am especially horrified, being a resident of Rainier Valley how West Seattle and Rainier Valley have been left out of any Off Leash Area plans, while being confronted with new abusive zero tolerance patrols from Animal Shelter employees.	8/27/2017 11:39 AM
45	As a tax payer, I am frustrated by so few offleash options around west Seattle. Westcrest is not the solution for west Seattle residents.	8/26/2017 2:49 PM

46	Thanks for working to help WS grow in healthy directions.	8/26/2017 10:32 AM
47	We need more dog parks. Seattle has more dogs than kids, especially West Seattle. We need more than just Westcrest to take them. Although Westcrest is pretty frigging amazing...it'll be hard to match that.	8/25/2017 9:13 PM
48	Without doubt, a dog park in this area will be heavily used... But another park will be noticed, but not used to its fullest potential.	8/25/2017 12:58 PM
49	Dog park and areas where people can sit and enjoy, with trees	8/24/2017 6:30 PM
50	Prohibit dogs as the first rule of design; this needs to be a people park.	8/24/2017 5:22 PM
51	We don't need some gigantic, multi-acre off-leash area with different terrains and special features... just a nice, friendly feeling, fenced-in area for dogs to run around off leash.	8/24/2017 3:44 PM
52	Thankful that greenspace is being added	8/24/2017 11:40 AM
53	Have you seen the citywide skatepark plan?	8/24/2017 11:25 AM
54	off leash dog park, please	8/23/2017 11:46 PM
55	Since The city decided to increase off leash enforcement, please provide more opportunities for dog owners to comply with the law while also building community! I miss living near some other great dog parks where I could socialize with my neighbors after work.	8/23/2017 10:52 PM
56	A lot of the new Construction allows dogs but we have no off leash park. You have all of there apartment dwellers with dogs and the sidewalks are busy with them. A park would be great	8/23/2017 8:26 PM
57	Keep the homeless and drug addicts OUT. We are the taxpayers and the people who LIVE here.	8/23/2017 8:06 PM
58	West Seattle has no off-leash dog parks and needs one desperately.	8/23/2017 8:05 PM
59	Trees are really good!	8/23/2017 6:52 PM
60	I live a block away, so I'm excited for this new park. I want it to be activated with a walking path and green space. I don't want it to be another homeless space or loitering for drug dealing.	8/23/2017 5:27 PM
61	Small quiet green space with seating and colorful plantings.	8/23/2017 1:24 PM
62	it would be nice if the park could incorporate a habitat for birds to feed and make a home there. Including bird houses and bird food to attract wildlife to the urban center.	8/23/2017 11:38 AM
63	I love the location of Donnie Chin International Children's park, it helps make the international district a fun destination for young families. The play structure was a welcome addition to Westlake Park. I would love to see a community area in the junction where families could meet up to play as they enjoy the other retail amenities etc in the junction. Ercolini Park is great but not really walkable from the junction for families with young children.	8/23/2017 9:07 AM
64	Please make it possible as our only option is to drive to Westcrest	8/23/2017 7:50 AM
65	I moved here 4 years ago and love living in West Seattlebut since I have gotten here the quality of life has declined. The area is becoming overly crowded and dirty. There is a need for open space.	8/23/2017 4:33 AM
66	Please add several tall trees around the perimeter so we don't have to look at the ugly apartment buildings that surround that area. The concrete walled apartments will automatically ruin any park setting.	8/23/2017 1:04 AM
67	Do NOT make a dog park here. It is right behind my apartment building and the noise and potential smell from the animals will be disruptive to our home	8/22/2017 11:46 PM
68	Thank you for considering an off leash dog park.	8/22/2017 10:29 PM
69	Off leash dog area PLEASE!!	8/22/2017 9:04 PM
70	Dog park	8/22/2017 9:00 PM
71	A grassy area will be a waste. The Morgan junction park is never in use. Either make this parknuseable by kids, dogs, or both!	8/22/2017 8:18 PM
72	Off leash area or "play with my dog" should be included in your pre-written options in question 1	8/22/2017 7:12 PM
73	We really need more off leash parks in WS. And in addition to this new park, one along the water please!	8/22/2017 6:55 PM
74	I worry this park will turn into a homeless hangout like the Junction park.	8/22/2017 6:53 PM

## West Seattle Junction Landbanked Site Park Project Survey

75	Off leash dog park	8/22/2017 6:43 PM
76	I'd love a pool, but that seems out of scope :(	8/22/2017 6:36 PM
77	Thank you	8/22/2017 6:23 PM
78	Would be nice to have a section for a dog area .. something that won't be just a pile of dirt. Should be walkable focus/intent/purpose - parking is at a premium.	8/22/2017 6:12 PM
79	Green space is so important for mental health & development but the park must feature destination worthy features to keep the community present, & thus safe for the public. Hope to visit the site for more informed feedback. Perhaps include an birds eye view & photos of the lot so survey takers can better conceptualize the space available.	8/22/2017 5:49 PM
80	Seattle, esp. West Seattle, is growing by leaps and bounds. We need more green space. Even pocket parks tucked in odd places are beneficial to everyone.	8/22/2017 5:06 PM
81	Seattle's dog population is greater than the amount of kids living in Seattle. We need to start addressing this issue with dog parks.	8/22/2017 4:56 PM
82	Would be nice if it's fully fenced, to keep active toddlers/preschoolers from running into the street.	8/22/2017 4:50 PM
83	Park should prohibit vagrants, drinking, public urination & defecating etc, as well as no dogs( there are just too many dogs in the urban village and they should not drive out the people). Initially lots of police officers presence to	8/22/2017 4:42 PM
84	Thank you!	8/22/2017 2:58 PM
85	Please. We need more dog spaces than Westcrest. The parking is terrible and it is high prowl.	8/22/2017 2:13 PM
86	We need activities in the park like basketball, hand ball, tennis or even skate boarding.	8/22/2017 2:12 PM
87	As I said before, an off leash area would be great. It's tough to get Westcrest Park's off leash area so a closer off leash area would be ideal.	8/22/2017 1:56 PM
88	Place for my dog!	8/22/2017 1:29 PM
89	Having an officially sanctioned off-leash area in this part of West Seattle might take some stress off the various other sites that are being used illegally. Dog parks are great places for people to socialize, too.	8/22/2017 11:43 AM
90	This should not a doggy potty spot for the apartment dwellers next door. The only other park actually in the junction is locally known as the 'litter box' because it's grass growth shows evidence of doggy fertilization. Gross! Who wants to layout a picnic blanket in that?!	8/22/2017 10:53 AM
91	There are lots of hiding spots in this area. It is also very dark. Please keep it bright and open and safe.	8/22/2017 10:52 AM
92	We need a dog park in West Seattle!	8/22/2017 10:41 AM
93	We love LOVE the junction, but the only thing missing here is a dog park :)	8/22/2017 10:37 AM
94	I'd like to see a space for children & families that won't be subject to loitering by vagrants or dog excrement. Love to see some basketball hoops and play equipment.	8/22/2017 10:35 AM
95	If Seattle is to become an Age Friendly City they could further that goal with a small investment.	8/22/2017 10:27 AM
96	No camping allowed.	8/22/2017 10:19 AM
97	The park must absolutely be kept clean (not an outdoor, open-air toilet for dogs, people) and activated / visible, so that it does not become a hidden refuge for those seeking places to hide themselves or their activities.	8/22/2017 9:39 AM
98	At least make it easy to clean.	8/22/2017 9:29 AM
99	Keep up the good work.	8/22/2017 9:07 AM
100	No playground equipment please. No large sculptural elements taking up space, it's a small park, Let it be green space	8/22/2017 8:09 AM
101	I'm so glad you're doing this!	8/22/2017 8:01 AM
102	Please make sure there is some shade.	8/22/2017 12:50 AM
103	no dogs - if it has any grassy area people will let dogs poop in same grass where kids & people will sit - unhealthy	8/21/2017 11:51 PM

## West Seattle Junction Landbanked Site Park Project Survey

104	West Seattle Junction needs a dog park.	8/21/2017 10:45 PM
105	I really don't understand how a booth at the Farmers Market qualifies as an open house/public meeting. At best it's a way for you to give info on pre-designed plans -- which could just as easily be done online -- but certainly not the best way to receive info.	8/21/2017 9:12 PM
106	The concert would closed to rain but an uphill lawn for spectators.	8/21/2017 9:06 PM
107	Would love zip lines	8/21/2017 8:34 PM
108	Concerns: dog poop and transients	8/21/2017 8:20 PM
109	We have ercolini and the junction park in Alaska jct. be great to have a spot that is utilized differently and captures some new energy. Please consider an activity space for young and old and not just a hang out for drunks and condo dogs to poop in.	8/21/2017 7:58 PM
110	Dogs!	8/21/2017 7:23 PM
111	Greenspaces and parks restore the soul in the urban environment. This park could aspire to that.	8/21/2017 5:36 PM
112	I love Seattle Parks and the workers who work for them!	8/21/2017 5:32 PM
113	Put more info on the website.	8/21/2017 4:58 PM
114	I'd really like to see an AED & Naloxone onsite, along with a used sharps bio hazard container. I already mentioned a lot of stuff, but public bathrooms with showers would be great for people without homes. I'm new to Seattle and so excited	8/21/2017 2:25 PM
