

# HOT BIKE SUMMER PASSPORT

Seattle  
Department of  
Transportation

## What is Hot Bike Summer?

A series of celebrations for new bike lanes and safety enhancements across Seattle, from the waterfront to South Seattle. Throughout August and early September, we're marking the opening of five new routes with ribbon cuttings, rides, and community festivities — giving everyone a chance to explore our growing bike network.

[seattle.gov/transportation](https://seattle.gov/transportation)

## HOW IT WORKS:

- **Bring this passport** to each Hot Bike Summer event. Information on our website.
- **Collect a decal at each stop** — attend the celebration and ride the new bike lanes!
- Attend at least **3 festivities** to qualify for a prize. The **first 10 people** who collect 3 decals will receive a **\$25 BikeLink card** — good for secure bike parking at BikeLink lockers across the region.
- Turn in your completed passport at the **final celebration** to enter a drawing.
- Tag **#HotBikeSummerSEA** if you share your photos on social.
