Presentations

Sound Transit Bike Code Amendment Proposal

Lindsay King, *Seattle Department of Construction & Inspections (SDCI)*

Nicole Kistler & Jennie Meulenberg, *SDOT*

Betsey McLaughlin, Kevin Shively, & Darren Crabill, *Sound Transit*

15 minute presentation, 15 minute discussion

- Team from SDOT, Sound Transit, & SDCI presented on bike parking related code requirements for new Sound Transit light rail stations in Seattle
 - Divides stations into typologies with different requirements for each: terminus stations, local stations, mid-center stations, and central stations
 - Based on data and survey of bicyclists using light rail
 - Acknowledges that many people will continue to bring bikes onto trains for a variety of reasons, mostly because they need them on the other end of the trip
- Board asked questions about geofencing for micromobility, assumptions used, accommodating larger bikes (e.g. cargo bikes), integrating bike parking card with Orca card, and improved bike cages

Transportation Equity Framework (TEF) Update

Annya Pintak and George Every, SDOT

15 minute presentation, 15 minute discussion

- SDOT team presented on TEF progress, internal monitoring tool, and new community-facing TEF tracker
- Shared TEF tactic highlights and next steps, which include socializing the TEF tracker and creating a plan for translation
