

## AURORA AVE N CORRIDOR IMPROVEMENTS— PEDESTRIAN BRIDGE CLEANING AND PAINTING

Construction of the Aurora Ave N Corridor Improvements project is expected to begin the week of October 8th\*. Crews will be working to clean and paint the pedestrian bridge across Aurora Ave N at N 102nd Street. The bridge will be open during cleaning and painting; however crew members may escort you through the work zone. Cleaning and painting should take approximately three to four weeks.

In approximately six to eight weeks, crews will begin installing Vicki Scuri's art installation on the pedestrian bridge at Aurora Ave N and N 102nd St. The art installation will help create an identity for the Aurora-Licton Urban Village.

Construction and painting schedules are highly variable and weather dependent. Thanks for your patience and flexibility during construction.
