

ALKI POINT HEALTHY STREET

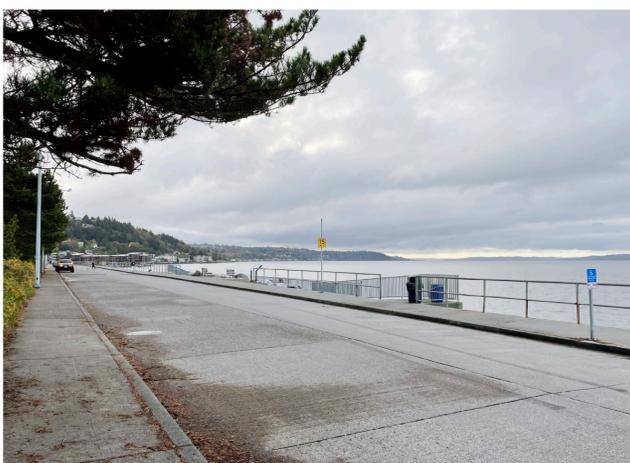

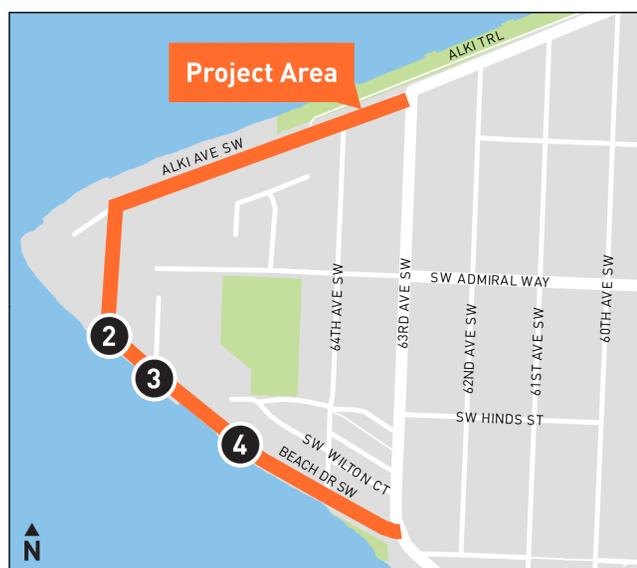

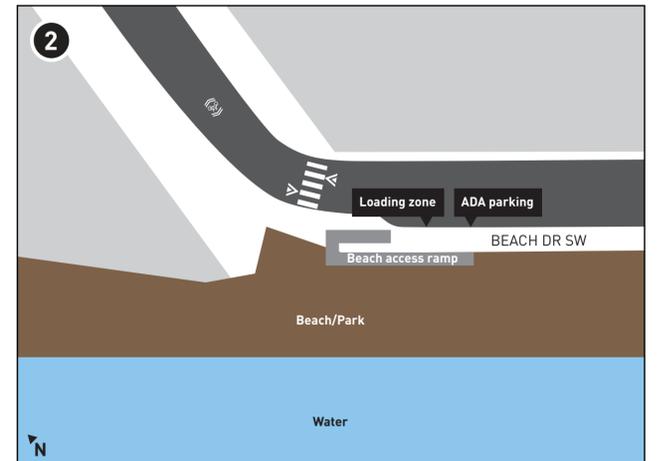

Beach Dr SW: Beach and Park Access Points

Goals

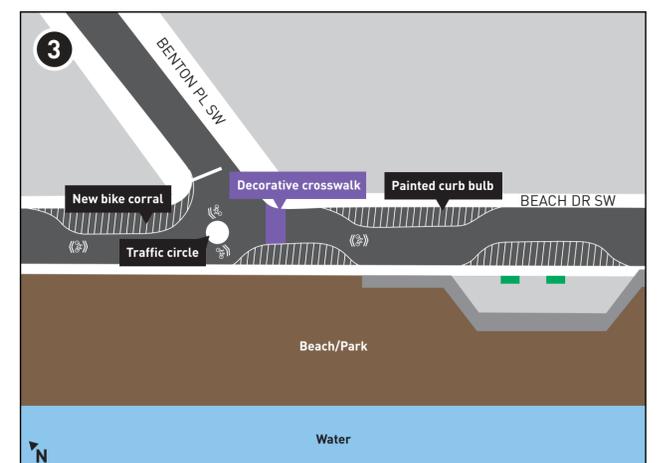

- Create an inviting space for people to take in the views of Mount Rainier, sunsets, and the Puget Sound and access the park
- Calm traffic and create safe intersections for all people sharing the street
- Provide loading zones for people kayaking, paddleboarding, and doing other water activities

On Beach Dr SW, looking southeast where the Healthy Street transitions from housing on both sides, to a stretch with housing on one side and water on the other.

At the corner of Benton Pl SW and Beach Dr SW, across from existing bike parking and a water viewpoint.

On Beach Dr SW, looking west, where there is a ramp down to the beach for water activities.
