

CONSTRUCTION NOTICE

December 2018

35th Ave NE crossing improvements starting as early as Wednesday, January 2

PROJECT OVERVIEW

We plan to begin installing crossing improvements at 35th Ave NE/NE 135th St and Erickson Pl NE/35th Ave NE as soon as Wednesday, January 2. You may see crews in the area surveying this month. This work is expected to last approximately 10 weeks and is weather dependent. Please see the map on reverse for details on the work area and coming improvements, and contact us or view the project webpage for updates during construction. The new curb ramps, crossing beacon, crosswalk, and stop sign improve visibility and shorten crossing distances for those walking in the area.

WHAT TO EXPECT

During this work, please expect:

- Temporary and intermittent traffic and lane restrictions and/or pedestrian detours; signage and flaggers to direct people around the work zone
- Equipment, materials, and noise near the project area
- "No Park" signs in work area 72 hours in advance of work

Thank you in advance for your patience during this work!
