

**City of Seattle  
Public Utilities  
Notice of Rule Revision**

Under the authority of the Seattle Municipal Code SMC 3.32.020, 21.04.465, and 21.28.230, Seattle Public Utilities proposes to amend Director's Rule FIN-220.2, Development Charges. We request the public's review and comments.

Last revised on November 1, 2023, the rule sets charges for development-related services. Proposed revisions include:

- Update permit and inspection fees to align with current fees established by other City departments and jurisdictions
- Insert sewer permit and inspection fees listed in the Seattle Municipal Code (SMC 21.16.071) without any fee changes
- Add a deposit for drainage and wastewater size-on-size core taps priced as time and materials
