

12th Ave NW

Basin Drainage Project

Help reduce flooding in your neighborhood!

You are invited to a neighborhood walking tour to discuss possible locations for natural drainage systems installation. Join us at one of three walking tours or stop by the information booth anytime.

Saturday, November 3, 2018

TOUR 1 starts at 1 p.m.

TOUR 2 starts at 2 p.m.

TOUR 3 starts at 3:30 p.m.

All tours will begin at the intersection of 2nd Ave NW and NW 127th St.

Kids and family friendly!

12th Ave NW

Basin Drainage Project

PO Box 35177
Seattle, WA 98124

Join us for a tour

Saturday, November 3, 2018

We are working to improve the drainage system and address severe flooding issues by:

- Installing natural drainage systems (NDS)*
- Converting ditch-and-culvert flow to a piped system
- Installing large, underground pipes to hold water and prevent flooding during storms

**The walking tour will focus on NDS only*
