

DEAR RESIDENT,

Did you know almost **60%** of apartment garbage could have been [recycled](#) or [composted](#)?*
With proper sorting, you would help the environment, comply with Seattle law & may even help your building save on collection costs! Just follow these instructions:

Recyclables

- 1 Paper
- 2 Cardboard **flattened**
- 3 Plastic bottles & containers
- 4 Metal cans
- 5 Glass bottles & jars

MUST be EMPTY, CLEAN & DRY

No Plastic Bags

The graphic shows various recyclable items: a stack of newspapers, flattened cardboard boxes, a metal can, a glass bottle, and a plastic bottle. A 'No Plastic Bags' sign is also present.

Take your clean recyclables to the building's **blue containers**, located here:

Compostables

- 1 Food scraps
- 2 Pizza boxes, napkins & paper towels
- 3 Compostable bags
- 4 Compostable food packaging
- 5 Yard waste & plants

No Plastic Bags

The graphic shows various compostable items: a pizza box, a banana peel, a fish skeleton, a broken egg, sticks of yard waste, and a compostable bag. A 'No Plastic Bags' sign is also present.

Place food waste into the building's **green carts**, located here:

Questions?

- If you have questions about the containers at the building, contact your property manager.
- If you have questions about how to dispose of materials, visit: seattle.gov/utilities/WhereDoesItGo
- For other questions about recycle and compost, email AskEvelyn@seattle.gov or call 206-684-8717.

* Weight data for a typical Seattle apartment building according to the most recent garbage composition study available at www.seattle.gov/utilities/about/reports/solid-waste-reports/composition-studies
