- Healthy Food in Schools*
- Sweetened Beverage Tax Community Advisory Board*
- Equity & Environment Initiative
- Food Action Plan*

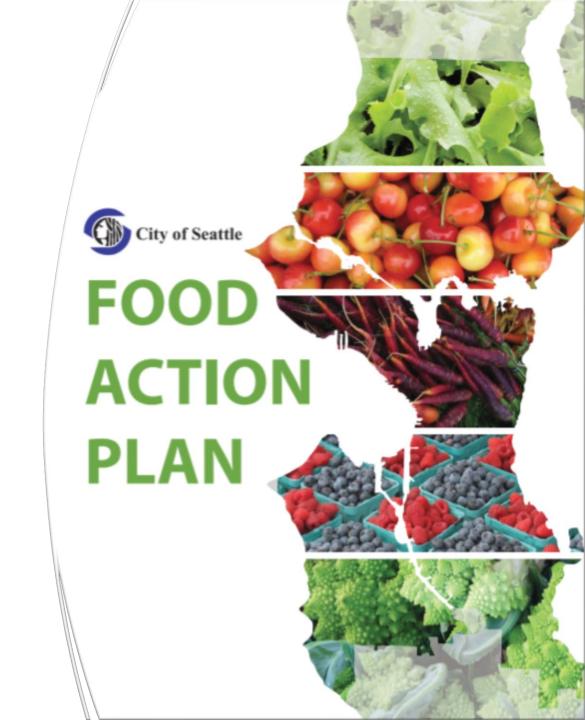

^{*}Funded by the SBT

Seattle's Food Action Plan (2012)

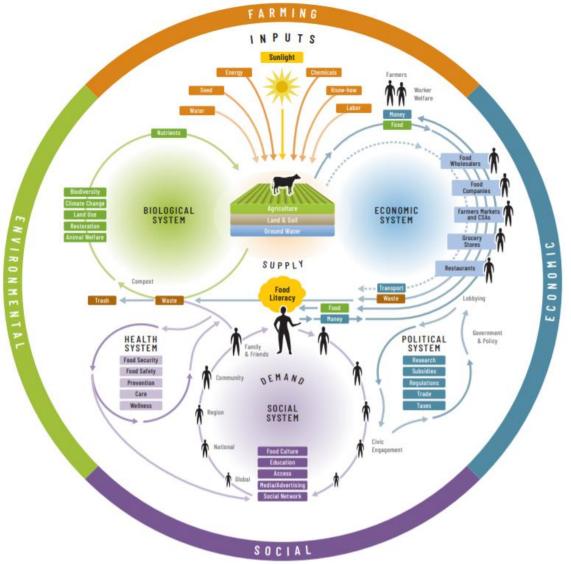

Articulates 40 actions to:

- Increase access to healthy food
- Expand opportunities to grow food in the City
- Strengthen our regional food economy
- Reduce foodrelated waste.

Why do we need a (new) Food Action Plan?

Food Touches Everything

https://www.nourishlife.org/teach/food-system-tools/

Food System Inequities

BIPOC and very low-income communities are most affected by inequities in the food system:

- Food insecurity and hunger
- Health issues
- Inadequate food access
- Exploited labor
- Access to land, credit, wealth
- What kinds of traditions and knowledge are valued
- Environmental impact

City's Current Food Work

Managing Departments:

- Human Services
- Sustainability & Environment
- Neighborhoods
- Civil Rights
- Economic Development
- Public Utilities
- Parks & Recreation
- Planning and Community Development
- Public Health

Food Access

- Fresh Bucks
- Farm to Table
- Child Care Nutrition Program
- Food Banks
- Senior Meal Program and After School Meals
- Community Meal Programs
- Healthy Food in Schools
- Summer Meals
- Emergency Preparedness
- Disparity Data Monitoring

Urban Agriculture

- P-Patch Community Gardens
- Market Garden Program
- Urban Food System Program

Food Recovery and Waste

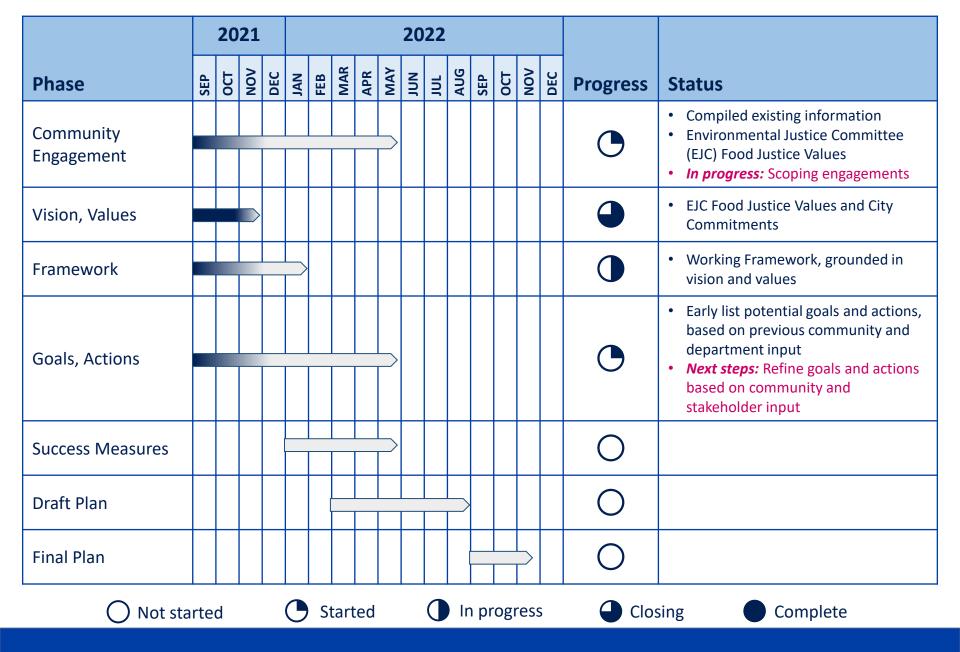

- •Food Rescue Innovation
- Food and Compost Services

Investments in Community-Led Work

- Food Equity Fund
- Economic Development Initiative
- Equitable Communities Initiative
- Environmental Justice Fund
- King Conservation District Seattle Partnership Grant Program
- Waste Free Communities Match Grant

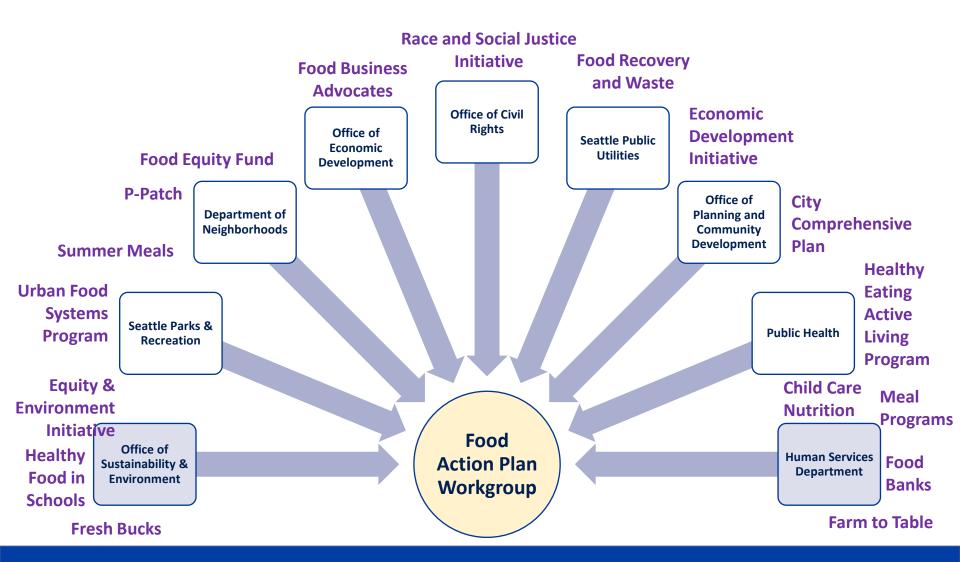

Process for Updating the Food Action Plan

City of Seattle Food Action Plan Workgroup

Food System Stakeholders

Nonprofit Organizations

- Anti-hunger/anti-poverty action coalitions
- Workforce development organizations
- Food justice organizations
- Community-based public health orgs.
- Local/regional food and farming advocacy groups and coalitions

Community Advisory Boards and Committees

- Environmental Justice Committee
- Sweetened Beverage Tax Community Advisory Board
- Duwamish Valley Action Plan network
- Lived Experience Coalition

Leaders and Influencers from

- Most-impacted Communities
- Mutual aid networks
- Food and Environmental Justice Movements
- Urban agriculture

Local and Regional Food and Farming Enterprises

- Industry and Trade Organizations
- Farmers markets, farm stands, and vendors
- Grocery stores
- Chefs, Restaurants
- Food hubs
- Cooperatives, Food hubs

Government

- City of Seattle departments
- Public Health Seattle & King County
- King County departments

Educational Institutions

- Seattle Public Schools
- Seattle Community Colleges
- Universities

Opportunities for CAB input

- Identification of Goals and Actions (Jan-Feb)
- Prioritization of Goals and Actions (Mar-Apr)
- Community Engagement (Dec-May)
 - Provide input on engagement plans
 - Co-lead engagement
- Reviewing draft Plan (May-June)

Progress and Status

Values (see handout for details)

Complete

*Aligns with CAB value

Emerging Themes and Goals

Notable Themes/Goal Areas:

- Culturally relevant, equitable food access programs
- Benefits that increase consumer choice and buying power
- Land access and stewardship by Priority Communities to grow food
- Culturally relevant and empowering food and nutrition education
- Prevent and reduce food and food-related waste to increase food access and reduce climate pollution
- Reduce climate pollution associated with food production and consumption within Seattle
- Support local growers, food entrepreneurship, and food projects, led by and for Priority Communities
- Values-based food purchasing standards to promote a sustainable and equitable food system
- Workforce development and equitable employment opportunities

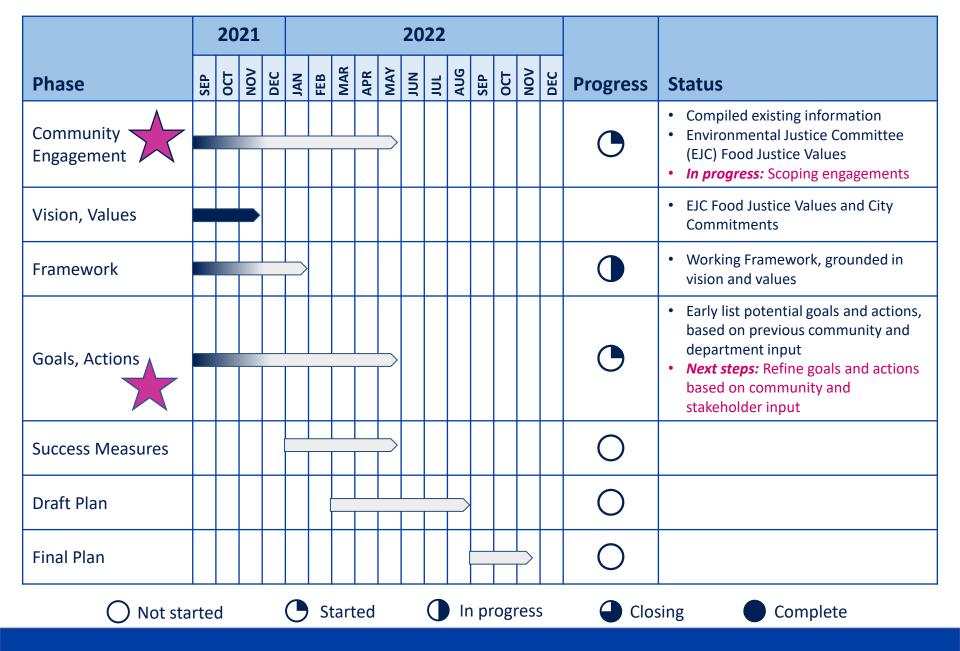

Community Engagement

- Scheduling underway
 - BIPOC growers, vendors, processors
 - Mutual aid leaders
 - Lived Experience Coalition
 - Meals Partnership Coalition
 - Native and Indigenous communities
 - Food and Environmental Justice community leaders
- Expected, not yet scheduled
 - Community-based organizations that partner with City on current food programming
 - Food businesses (chefs, restaurants, retail)
