Diversity	Section 2	<p>The UFC will strive to remove barriers to support membership from Seattle’s diverse communities.</p> <p>A standing Equity and Diversity Committee will identify opportunities and make ongoing recommendations to the UFC. Intended outcomes would be for the group to become more inclusive and equitable in its membership and work, and for the UFC to find culturally-appropriate ways to engage with the community, especially BIPOC communities, to welcome their participation in UFC business.</p>
Appointment	Section 3	Members in positions numbered 1, 3, 5, 7, 11, and 13 shall be appointed by a majority vote of the City Council. Individuals in positions 2, 4, 6, 8, and 12 shall be appointed by the Mayor, subject to confirmation by a majority vote of the City Council. Position 9 shall be appointed by a majority vote of the UFC members. Position 10 shall be appointed in the manner provided for in section 3.51.030 of the SMC. All positions shall be confirmed by majority vote of the City Council.
Terms	Section 4	All positions will serve a three-year term with the possibility for a second three-year term if reappointed. Position #10 will serve a single, one-year term. A UFC member whose term has expired shall continue to hold office until a successor has been appointed. No members shall serve more than two consecutive terms.
Attendance	Section 5	Attendance at UFC meetings is expected. Commissioners are required to inform the Commission Coordinator and the Chair or Co-Chairs of an absence prior to the meeting. In the event of three or more unexcused

		<p>absences in a year, the Chair or Co-Chairs can take appropriate action, including, but not limited to, recommending removal from the UFC.</p> <p>(Notification of an absence prior to the UFC meeting is necessary in order to ensure a quorum at UFC meetings).</p>
Removal	Section 6	The Mayor may remove any appointed member in even numbered positions 2 through 12, subject to confirmation by majority of the City Council. City Council may remove any appointed member in odd numbered positions 1 through 11. Position 9 may be removed by a majority vote of Commissioners in positions 1 through 10.
Compensation	Section 7	Members receive no compensation for service on the UFC.
Extension of time	Section 8	Terms may be extended to accommodate scheduling and the confirmation of new UFC appointees.
Vacancies	Section 9	Vacancies will be filled for unexpired terms in a manner similar to the original appointment.
Officers	Section 10	Officer positions will be annually elected by vote. Officer positions may be a Chair and Vice-chair, or may be two or three Co-Chairs. When a Chair and Vice-Chair are serving, the Vice-chair may act in the position of the Chair when the Chair is not available or when the Chair delegates this role to the Vice-chair. When Co-Chairs are serving together, they will take turns acting in the position of Chair according to a mutually agreed upon schedule. In both cases, if a Chair, Vice-Chair or Co-Chair is not available, the role of the Chair can be delegated to another Commissioner.
Duties of the Chair or Co-Chairs	Section 11	<p>The Chair or Co-Chairs shall exercise general supervision over the UFC’s business and affairs, performing all duties incidental to the office and those required by the Charter of the City of Seattle, law, ordinance, and these by-laws, as well as those duties that are properly delegated by the UFC.</p> <p>The Chair or Co-Chairs will preside at all meetings and have those powers generally assigned such an officer. The Chair or Co-Chairs will act as spokesperson for the Commission and as its representative at meetings with other organizations and committees unless such representation is otherwise authorized by the UFC. The Chair or Co-Chairs may, however, delegate to any UFC member performance of any duties imposed by this section. No pronouncement made as spokesperson or representative will obligate or commit the UFC except as provided by these by-laws or unless authorized by the UFC.</p> <p>The Chair or Co-Chairs will work with the UFC Coordinator in setting agendas, follow up briefings, and other administrative work.</p>
Committees	Section 12	The UFC, by resolution adopted by a majority of Commissioners, may designate or appoint one or more standing or ad-hoc Committees, including an Administrative Committee and a Diversity and Equity Committee. Each Committee shall consist of two or more Commissioners, but not more than six commissioners (in order to not trigger Open Public Meetings Act) and may include other individuals to provide specific expertise who are not Commissioners. Such individuals

		shall have appropriate qualifications and serve in an advisory capacity. Committees will regularly report back to the group as a whole.
Chair/Co-Chairs Ex-officio	Section 13	The Chair or Co-Chairs serve ex-officio on all Committees.

Meetings	Section 2	Regular meetings of the UFC will be held on the first and third Wednesday of each month in a publicly accessible location that will be noted in the UFC website . This meeting schedule may be changed as deemed necessary to avoid conflicts with other urban forestry-related meetings or events. Such changes will be at the request of a quorum of UFC members and will be noted on the UFC website. The UFC will strive to provide a continued remote participation/call in option for the public and commissioners. In the event a change in location is necessary, effort will be made to inform the public in advance. Additional meetings may be scheduled as necessary. The City will make reasonable accommodation, upon request, for people with disabilities. Special meetings of the UFC may be held whenever and wherever the UFC may determine. The Chair or Co-Chairs may call such meetings. The Chair or Co-Chairs will issue such a call upon the request of a quorum or more UFC members. Commissioners may form subcommittees of fewer than six members to participate in discussions with City Departments without triggering Open Public Meetings Act.</p>
Agenda and Notice for Public Meetings	Section 3	<p>The Chair or Co-Chairs, with support from staff, will prepare an agenda for each public meeting, prior to the meeting. Additional agenda items may be proposed by any member of the UFC, subject to the approval of the Chair or Co-Chairs. Staff will maintain a list of interested members of the community and make reasonable effort to send advance notice of scheduled meetings to this list.</p> <p>The Chair or Co-Chairs may adjust for good and sufficient reason, the regular convening time of meetings and hearings as set forth in these by-laws. Reasonable effort will be made to advise, at least 24 hours in advance of adjusted convening time, each UFC member and the public.</p>
Request for advice from Council or Executive Branch	Section 4	<p>Requests for a UFC letter, analysis, advice, or recommendation from City Council or Executive Branch will be addressed to the entire UFC. Such requests shall receive priority for placement on the agenda.</p>
Quorum	Section 5	<p>A majority of the current members of the UFC constitute a quorum in UFC meetings. In committee meetings, the majority of all committee members are a quorum. Provided there is a quorum, a majority of those present are required to ratify a vote.</p>
Voting	Section 6	<p>Each UFC member is entitled to one vote. Provided a quorum is present at the meeting, all UFC action shall require a motion, a second, and a majority vote of members present.</p> <p>The UFC will strive for consensus. When consensus is not reached and an action is approved by majority vote, dissenting member(s) may submit a minority report to the Chair or Co-Chairs. The minority report will be forwarded to the Council, the Executive Branch, and the public along with any letter, analysis, advice, and recommendation or similar submitted by the UFC.</p>

Public Comment	Section 7	<p>Public comment can be offered at the beginning and/or the end of each meeting. Each speaker will be limited to three (3) minutes. If more than one member of the public from a particular group has requested to speak, the group must select one representative of the group to present the group’s view. In such case, the group’s representative will be allowed five (5) minutes to speak.</p> <p>The Chair or Co-Chairs will recognize those individuals who signed up to speak and will enforce the appropriate time limits. Speakers should preface their remarks by stating their first and last names, where they live, and where they work. Public comments made at meetings must be related to the issues on the agenda for that meeting.</p> <p>Written comments will also be accepted and should be directed to UFC Coordinator at the Office of Sustainability & Environment (OSE).</p> <p>The Chair or Co-Chairs have the right to exercise discretion in the implementation of this section.</p>

Coordinator Protocols
Adopted on January 13, 2021

The Urban Forestry Commission's (Commission) mandate is to advise the Mayor and City Council concerning the establishment of policy and regulations governing the protection, management, and conservation of trees and vegetation in the city of Seattle.

The following protocols will guide the work of the Commission and Commission Coordinator (Coordinator):

I. General Commission support

The Coordinator will spend up to 25 hours per month to support the Commission with the following tasks:

1. Produce, in coordination with the Commission chair(s), meeting agendas.

2. Produce, at the Commission's request, initial drafts for letters of recommendation, Annual Report, annual work Plan, or other Commission documents.
3. Interface with City's Urban Forestry Core Team, Urban Forest Interdepartmental Team (IDT), City department staff, and other relevant organizations to schedule Commission briefings.
4. Provide computer and projector, or other technology, to facilitate presentations during Commission meetings.
5. Request relevant supporting materials and make electronic and/or hard copies available to Commissioners.
6. Record Commission meetings and produce meeting summaries, for review and adoption by the Commission.
7. Support Commission efforts to incorporate the City's Race and Social Justice Initiative principles into its work.
8. Manage and update the Commission's website, including posting meeting materials and recordings.
9. Ensure meetings and meeting materials are accessible based on Americans with Disabilities Act (ADA) requirements.
10. Coordinate internal and external Commission communications as to comply with Open Public Meetings Act.
11. Coordinate tours, trainings, or other Commission activities.
12. Organize the annual Urban Forestry Commission/Urban Forest Interdepartmental Team working meeting.
13. Run recruitment processes for Commission members in coordination with City Council and Mayor's Office staff.
14. Facilitate meetings with the Mayor's Office and Councilmembers.

II. City department coordination

Departments will be encouraged to brief the Commission on their urban forestry work and discuss issues and potential recommendations. The Coordinator will:

1. Keep City departments abreast of Commission issue development.
2. Ensure City departments have an opportunity to brief the Commission on issues that impact their urban forestry work.
3. Engage City departments to review and comment on draft Commission recommendations before they are voted on by the Commission, if possible, considering timing circumstances that might require a fast-tracked adoption of a recommendation. The intent is to promote dialogue and partnership with City departments.
4. Facilitate ongoing communication between the Commission and City departments.

III. Commission communications/recommendations

The Coordinator will:

1. Produce draft Commission communications and letters of recommendation when assigned by the Commission.
2. Distribute hard and electronic copies of the Commission's communications.

3. All draft recommendations will include the following disclaimer at the top of the document:

**MATERIAL PREPARED FOR DISCUSSION BY THE URBAN FORESTRY COMMISSION.
THIS DELIBERATIVE DOCUMENT DOES NOT REFLECT THE OPINION OF THE URBAN
FORESTRY COMMISSION AND MAY OR MAY NOT MOVE FORWARD TO VOTE.**

Briefing coordination and letter drafting guidelines

Revised and adopted on February 2, 2022

1. Presenter Prompts:

Purpose: The purpose of these prompts is to help clarify the intent of briefings and give Urban Forestry Commission (UFC) discussion some structure. The purpose is not to give strict guidelines on presentation but rather, share some ideas of how the presentation may be useful to both guests and the UFC. When requesting a presentation/briefing, the UFC will clearly state their interest in the subject and expectations. This will assist the UFC Coordinator in enticing people to prepare briefings/presentations to the UFC.

Procedure: Prior to the briefing, as part of the introduction, the UFC coordinator will clarify who requested the briefing. Meeting minutes will specifically reference these prompts, if presenter addresses them. UFC will then compile highlights for inclusion in the Annual Report.

Prompt Suggestions: Guests briefing the UFC will be asked to consider the following as part of their presentation or discussion:

1.1. City of Seattle Staff:

- Was the presenter asked by UFC to give a briefing on a topic? (clarify whether or not has presented before).
- Is this a new topic? If so, what lead to the need/creation of it?
- How does this work relate to the protection and enhancement of Seattle's urban forest and environment, including trees, vegetation, and wildlife? Regarding the urban forest:
 - What challenges are there related to this work?
 - What successes are there related to this work?
 - What future opportunities exist for protecting and expanding the urban forest related to this work?
- If this is a continued effort, what has changed since last year (or last visit if presented prior) regarding the topic? Changes can include new guidelines, staffing levels, budget levels, scope of work, etc.
- What impact has the UFC input had on the work? A challenge to this is understanding what documents and briefings have occurred prior to this. Changes in staff may result in institutional knowledge loss.
- How does the topic affect the City's policy or regulations for the urban forest?
- How has this effort incorporated the City's Race and Social Justice Initiative goals?
- How does this effort contribute to a more equitable and just city?

1.2. External to City Guests:

- All of the above, plus:
- How could the UFC help?

2. **Post-presentation discussion:**

Immediately following the briefing, the UFC will spend about 10 minutes debriefing. Each Commissioner will have the opportunity to either comment or pass. If discussion exceeds the allotted time, additional time can be reserved at a later meeting for continued discussion if warranted. Commissioners will be asked to consider:

- Highlights specifically related to the prompts
- Ideas for follow-up actions or recommendations
- Their willingness to work on follow-up and possibly draft a letter
- Any other brief feedback or reactions
- Include questions to support the discussion:
 - What voices were not heard/represented? Equity impacts of this work.
 - What might be unintended consequences (racial impacts, language and accessibility impacts, economic impacts, etc.)?

Once all Commissioners interested in responding have done so, the UFC will outline immediate actions based on the group's feedback:

- A lead and a supporter for follow-up will be identified. (Chair(s) will fill either role, if no volunteers)
- A rough timeline for UFC members to bring follow up materials before UFC will be outlined.

3. **Letter drafting process:**

- If follow-up is a letter (thank you, recognition, and/or recommendations), the lead and supporter will work to produce draft materials.
- Draft letters will then go to the Vice-Chair or a Co-Chair (or subsequent volunteer(s) for the role), for proofread and general formatting. Vice-Chair/Co-Chair will work with the author to come to agreement on edits and will then send to UFC Coordinator for distribution to the UFC and to find time on the agenda to discuss. All of this will take place ahead of time in such a way that it allows documents to be posted at least a week prior to the UFC discussing (to comply with Open Public Meetings Act).
- Letters will then go before UFC for discussion, when ready.
- The UFC will consider approving letters based on their content and policy recommendations.
- Letters may go back to the UFC Coordinator, Chair(s), and initial authors for copy editing following vote, with assurances of no change in intent.
