**City of Seattle CWA Joint Administrative Committee (JAC)**  
**October 2, 2024, 10:15 a.m. – 11:15 a.m.**  
**In Person**

**Introductions**

The August 2024 meeting minutes were reviewed and approved no edits.

**Pre-Apprenticeship Updates**

Amanda from ANEW: There will be a cohort graduation of 22 people on September 4 with more cohorts under way now expected to graduate in Dec 2024.

Paula Reesa from Carpenters: Military vets center has 15 vets in the program. Pre apprentice program will hopefully start in early 2025 as a pile driver/carpenter program. Carpenters trust merged in August 2024. They are now officially merged as Southwest Mountain States. Will be hosting trade Sat Oct 12 trade orientation. Their old Website is gone, so the best way to apply is come to Kent or Dupont of Burlington training centers. Folks with MOUs have priority status at the training centers-They will honor MOUs and just need to change document names and signatures. No longer running program at Renton tech college-merged with Kent because the numbers were low. Please call training center for any questions.

Jerry Jordan from PACT: Summer cohort finished on Sept 11. Fall cohort has about 24 day and 14 night workers. They are open invitation to a site visit.

Anthony from Urban League: Helping PACT program cohort with retention assistance.
