

City of Seattle College Intern Benefits

	Compliment Your Education: Interns will have unique, meaningful, hands-on experiences that complement their academic program.
	Serving the Community: Interns work on projects that directly or indirectly impact our community in positive ways.
	Flash Mentoring: Interns can participate in an informational interview program that connects them with City employees from various City departments and levels.
	City Trainings: Interns can access professional and educational development trainings offered to other City employees.
	Competitive pay: All City of Seattle interns are paid!
	Transportation Benefits: Interns have access to commuting benefits that includes an ORCA pass.
	Sick and Safe Leave: Paid sick and safe leave (after 90 days of employment).
