

We are seeking street use approval for the following:

Farm and Craft Overflow—2022 : (attachment B)

Farm overflow would allow farmers to sell their products on the west side of Pike Place in up to 30 temporary selling spaces 7 days a week from Pike Place and Pine St. to the North end of the Arcade plus 4 temporary selling spaces in front of the “glass wall” just South of City Fish and up to 7 temporary selling spaces behind the “3rd Section”. Up to 33 parking spaces may be displaced in total.

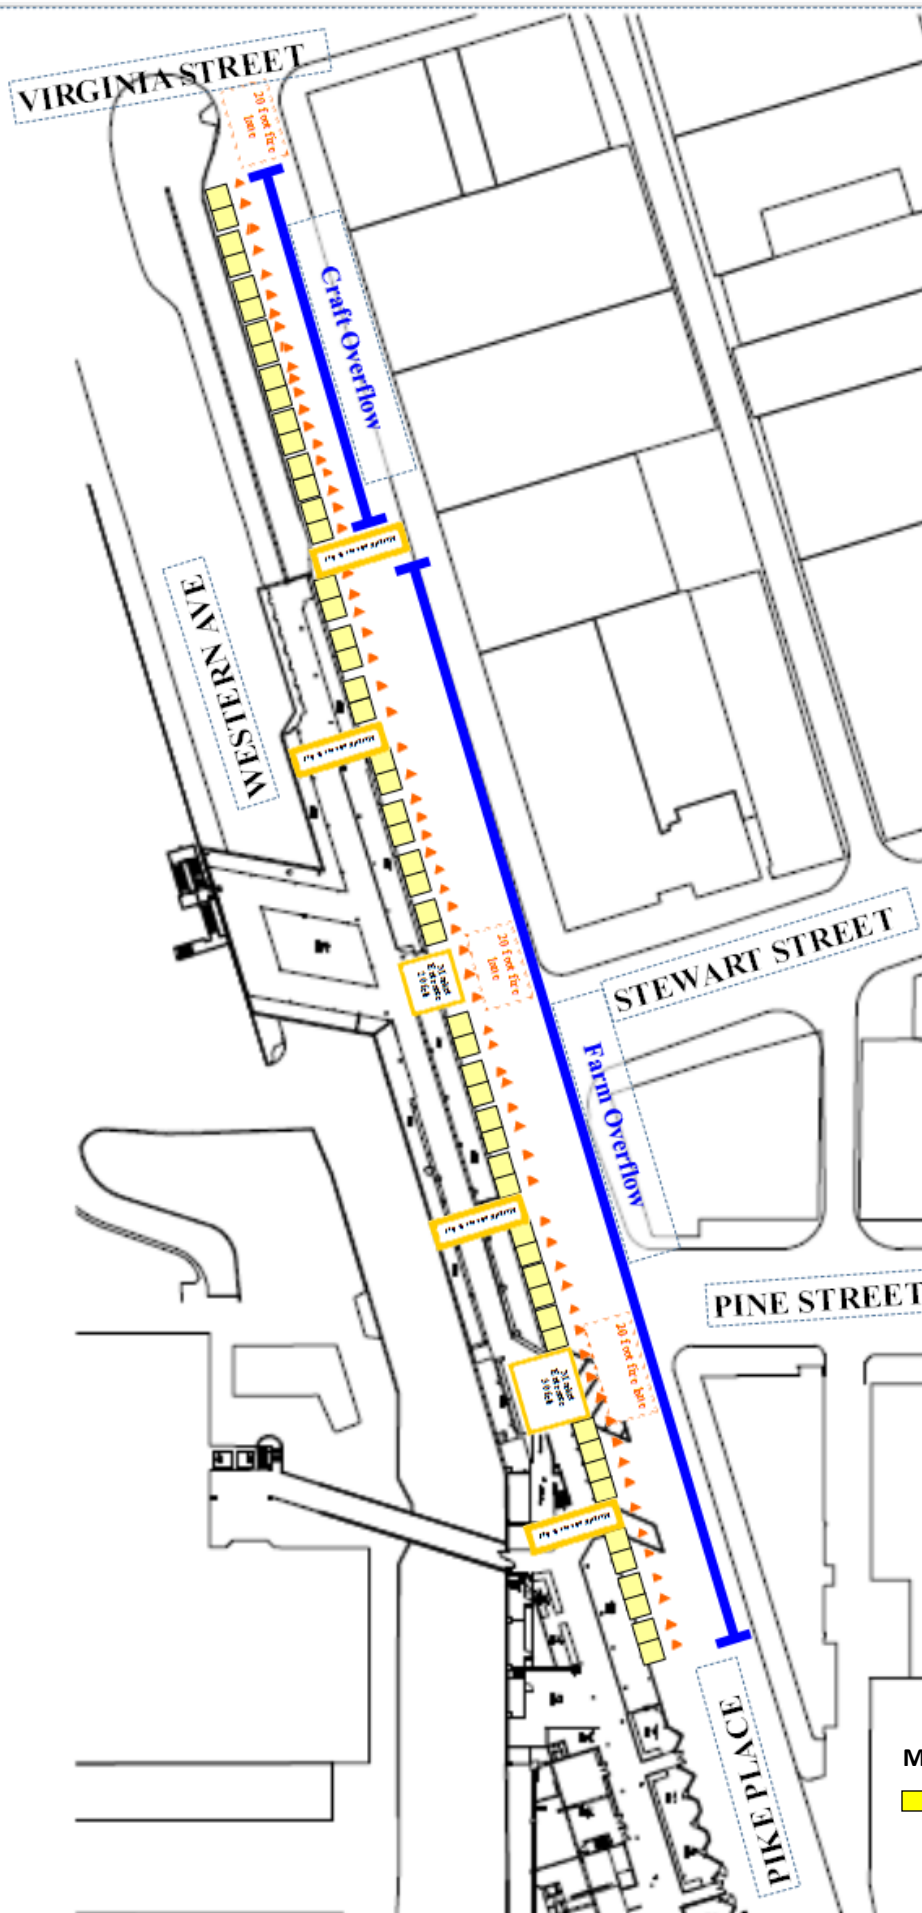

Craft overflow would allow craftspeople to sell their products on the west side of Pike Place in up to 28 temporary selling spaces from the North end of the Arcade to Pike Place and Virginia St plus up to 2 temporary selling spaces just east of the Pergola in the “circle”. Craft overflow would only be allowed when the primary Daystall areas are at near capacity 7 days a week and the spaces would only be made available as needed so that the primary Daystall areas remain at near capacity. Up 7 parking spaces may be displaced in total.

Canopies on the Market Front Pavilion provide selling spaces for up to 5 vendors who primarily sell prepared, ready to eat food.

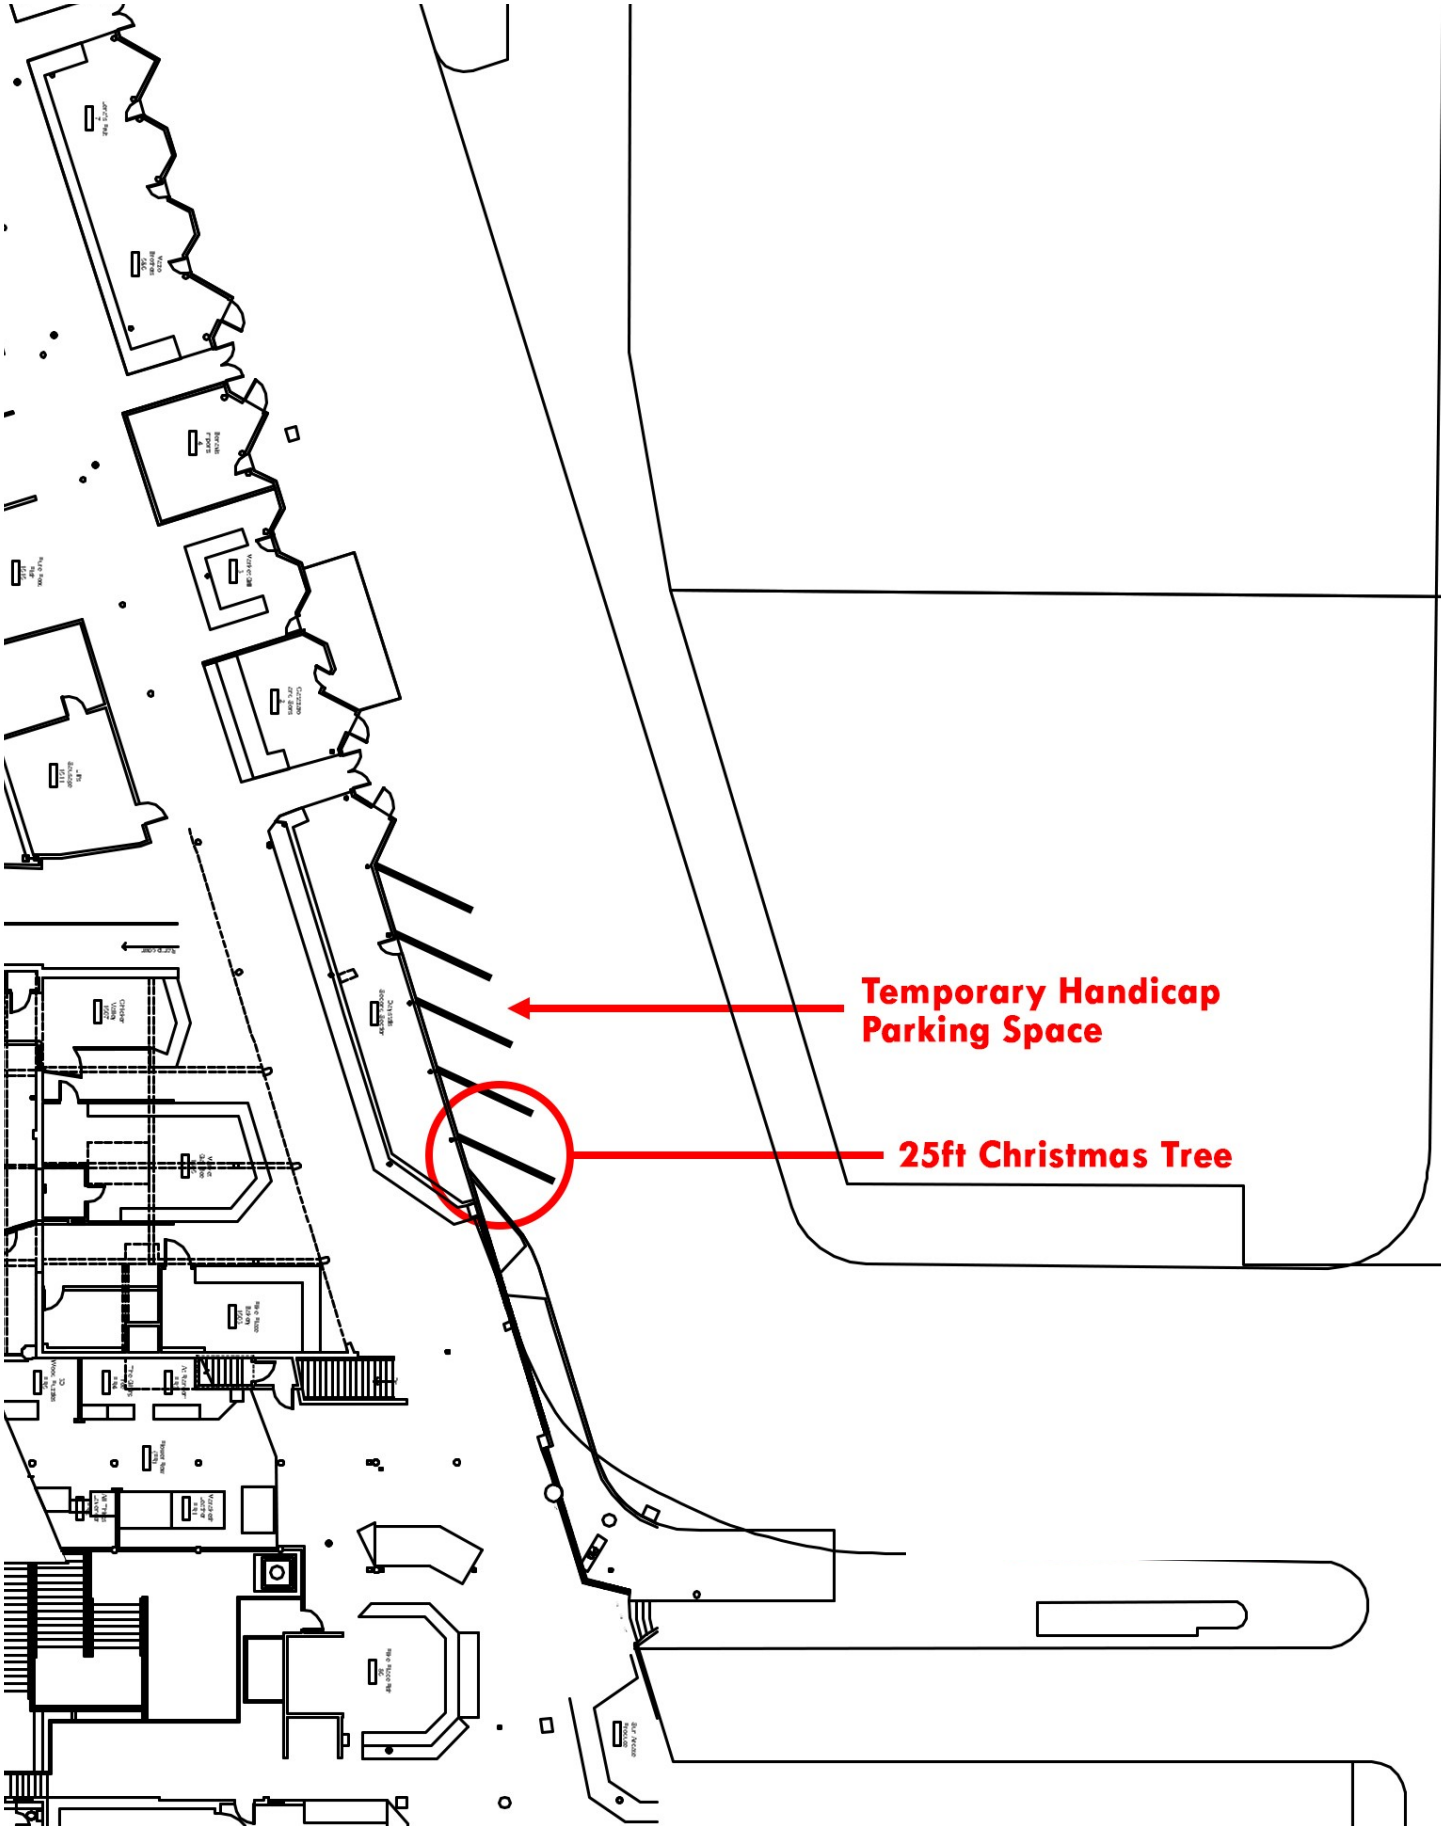

In both cases access to wheelchair ramps and all entrances to the Market will remain open and public right of ways will not be affected.

Pike Place Market Holiday Tree: (attachment C)

One accessible parking space just South of the entrance to the Market at Pike Place and Pike St will be used to erect a 25-ft Holiday Tree from November 22, 2022 through January 8, 2023 (surrounded by fencing and tethered to the surrounding buildings). An additional parking space directly North of the tree will be used as temporary handicap parking space while the tree is up.
