

Bryant Childcare Storage Shed

COA submitted 6/22

Proposed project: To add an 8'x10' Tuffshed with a 7' roofline to the asphalt play area of William Cullen Bryant Elementary located at 3311 NE 60th St, Seattle, WA 98115 . The shed will be placed 2' from the building to allow access behind for building maintenance. Aerial view of proposed location on the site.

Proposed design and colors of shed. Other colors are available. The shed will be placed so that the door will be facing west on the shed. Paint and trim colors can be viewed at the following link <https://www.tuffshed.com/products/#/configurator/Premier%20Tall%20Ranch>. We will be selecting a premier ranch 8'x10' with a 7' height plus peak.

Premier Tall Ranch - 8' wide by 10' long

\$4,485.20 USD Details
