

LITTLE BROOK PARK RENOVATION. INPUT NEEDED!

Seattle Parks and Recreation (SPR) invites you to participate in the Little Brook Park renovation project.

This park project will continue the community proposed design developed in collaboration with Lake City Collective. The project includes an updated play area, picnic tables and seating, creek boardwalk, garden, and renovated restroom. Additionally, it will develop a pedestrian plaza in the portion of the permanently closed street in front of the park in collaboration with Seattle Department of Transportation. Little Brook Park is located in northeast Seattle at 14043 32nd Avenue Northeast.

At this event SPR and the design team will share current design of the park space and gather community feedback on play equipment options. We will also share concept designs for the plaza extension of the park which is in the portion of 32nd Avenue Northeast in front of the park. The plaza area has been permanently closed to vehicles by SDOT for use as a Healthy Street which has provided neighbors more space to bike, walk, roll, and play on.

Please Join Us!

FRIDAY, MARCH 8, 5-7 PM

Lake City Collective Center, 13525 32nd Ave NE, Seattle, WA 98125

**Your Input is Very
Important to Us!
Please Participate.**

FOR MORE INFORMATION, PLEASE VISIT: www.seattle.gov/parks/about-us/projects/little-brook-park-redevelopment

An online survey and a short design presentation will be posted on the website following the event. Contact Colin Campbell at Colin.Campbell@seattle.gov or 206-256-5604
