

SEATTLE NIGHT OUT

Street Closure Guidance

CONGRATULATIONS!

Your successful registration grants you permission to close your **non-arterial** street on the night of the event, with a few conditions.*

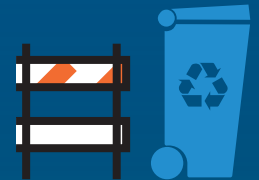

NOTIFY YOUR NEIGHBORS

- Please notify your neighbors at least one week prior to the event to give ample opportunity to coordinate parking and identify conflicts.

Please note: If you choose to feature your evening event on the public-facing map, you are effectively extending an invitation to all of your neighbors. Please note that the Seattle Police Department bears no responsibility for the guest list of any event. We encourage all community members to actively engage with both familiar and unfamiliar neighbors, to foster a sense of camaraderie and unity within the neighborhood. The spirit of night out is getting out and meeting new neighbors and creating community.

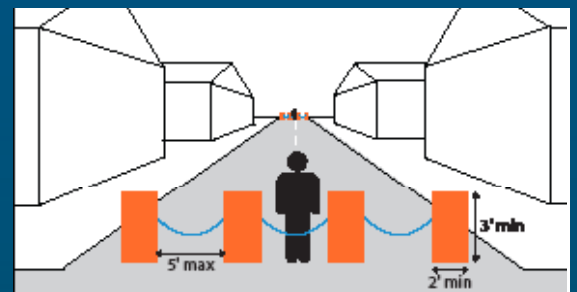

BARRICADE TYPE

- Barricades at non-arterial cross streets can be a household item that is at least 3 feet tall and 2 feet wide and needs to be easily portable in the event emergency vehicles need access to the street.

BARRICADE PLACEMENT

- Barricades are placed at both ends of closure.
- Distance between each barricade does not exceed 5 feet.
- Barricades are linked together with rope, streamers, banners, etc.

SUPERVISOR(S)

- A minimum 20-foot-wide lane is kept clear within the closure at all times.
- At least one adult supervisor is present and visible from each barricade for the duration of the closure.
- Supervisors are responsible for promptly moving barricades and clearing the roadway when residents, visitors, delivery vehicles, or emergency vehicles re-request access within the closure.
