Land Use Pre-Submittal Conference Information

Before attending a pre-submittal conference, you should have a working knowledge of all applicable codes and their requirements and during the conference present any issues within the context of the code. Pre-submittal conferences do not serve as a substitute for basic understanding of the codes (some exceptions apply). We are not responsible for the identification of issues not raised by you. The Pre-submittal conference is not a replacement for the plan review process.

Prior to the Pre-submittal conference, you are expected to:

- Submit the attached Pre-submittal application by email to sci_presubapp@seattle.gov.
  Your pre-submittal fees are a minimum of $860 (for the first two hours of staff time). Each Land Use staff person attending charges hourly @ $430/hr. Hours in excess of the two-hour minimum fee will be billed to the applicant. Note: Additional fees apply based on the complexity of the project, meeting preparation, and follow-up. All fees are subject to an additional 5% technology fee. Fees are required for all conferences and **must be paid prior to scheduling your meeting.** Conferences will not take place without verification that all required fees are paid.

- **Submit a Statement of Financial Responsibility form** along with your Land Use Pre-Submittal Conference Application.

- For Administrative Design Review and Streamlined Design Review projects, we highly encourage you to upload your draft EDG (or SDR) packet along with your pre-submittal materials. This will allow staff to begin review of your packet and provide feedback at the meeting and likely save review time after your application is submitted.

You will receive an email once fees are ready to pay. After paying the fees, please email sci_asc_support@seattle.gov to schedule your conference. An email confirmation will be sent to confirm the meeting date, place, and time.

At the Pre-submittal conference, you are expected to:

- Present an overview of the proposed project using a survey, site plan and other necessary graphics. Provide additional plan and elevation drawings as is necessary clearly presenting the issues of your proposal that need interpretation, clarification, and/or feedback.

- Applicant should take detailed meeting notes accurately summarizing the issues discussed at the Pre- submittal conference. This includes documentation of decisions made and identification of any outstanding issues that require resolution.

After the Pre-submittal conference, you are expected to:

- Within five business days of the pre-submittal meeting, email the draft meeting minutes in Word format to all City staff represented at the conference for their final review and approval. City staff will endeavor to review and finalize the meeting minutes within five business days.

Check the box which most closely describes the type of questions you would like to address:

☐ **ZONING REVIEW** – Check this option if you have questions about specific development standards: **height, yards, setbacks, parking**, etc. If you select this option **STOP** - you may not need a pre-submittal conference. Please complete a Paid Coaching Request form.

Zoning Coaching appointments are available through a Paid Coaching Appointments and are less formal than our pre-submittal conference process. Please see our Request for Paid Coaching Appointment form on our forms webpage. If you are unsure of what type of appointment you need you can submit your question online or request a 20-minute free coaching session through our Virtual Applicant Service Center for help determining if coaching or a Pre-submittal conference is needed.

☐ **LAND USE PRE-SUBMITTAL CONFERENCE:** Check this option for a conference which primarily addresses specific discretionary issues as they relate to the Master Use permits with written decisions, such as SEPA, Administrative Conditional Use, Variances, Rezones, Special Exception, Shoreline Permits, etc. Specific questions must be submitted as part of the pre-submittal application along with the code citation.
