SDOT collected parking data and worked with the community to develop a parking management plan to balance the needs of residents, businesses, customers, tourists and moorage tenants in the unique Westlake Avenue N maritime area. These changes make it easier for people who live and work in the Westlake area to find parking and include:

- New paid parking on the west side of the parking area to improve access
- A mix of time limits to meet a variety of parking demands
- All-day parking provides up to 72 hours for marina users
- Paid days/hours remain Monday – Friday 9 AM – 4 PM
