

VENDING FEE SCHEDULE

December 2016

VENDING PERMITS

The City of Seattle encourages street-food vending to increase public use, enjoyment, and safety of our public right-of-way. With proper design and management, street-food vending can be a great way to encourage walking, add vitality to the street, and promote local economic development. Street Use vending permit applications may be submitted at the Permit Counter on the 23rd floor of the Seattle Municipal Tower at 700 5th Avenue.

Curb Space Vending – 19G and 19H
