Wastewater & Stormwater Education Summit

Brightwater Center

Join us in a one-day summit to learn and share ideas, curriculum, lessons learned, etc. with other utilities, agencies and non-formal educators.

Who? The summit is for agency, utility or non-profit staff who want to know more about reaching out to communities; communicating and teaching about wastewater and stormwater

Where? Located at Brightwater Center in Woodinville WA

Mark your calendars - more information about registration and sessions will be sent later this month.

The summit is made possible through a grant by the Washington State Department of Ecology
