Keep in mind

- City government tools like SharePoint require an individual onboarding
- This tools assists you as a resource for maintainng records related to the OPMA
- Technical suggestions for logging in:
 - Log into your full SharePoint if you have issues accessing the folders directly
 - Clear your Cache and avoid logging into multiple emails across multiple browsers
 - Check another type of browser
 - Check your agency's IT admin to find out if you have an security blocks
- If you still have any problems accessing SharePoint email OSE_UFC_Liaison@seattle.gov and send a screenshot directly to this email. Or schedule a time with staff to screenshare the problem.
